Information for Coaches:

Picture Day is a big undertaking – about 625 kids will have their pictures taken in the course of a few of hours. Please make every effort to be on time and to cooperate with volunteers who will be helping with Picture Day.

Here are 7 steps to make this Picture Day great.

1. Ask your team to arrive at the field fifteen minutes (15 minutes) before your scheduled picture time and check-in with you.
2. Once your team and coaches have arrived, please check in at the Picture Day area next to the gym with your team roster envelope.
4. Ask your team to stay with you, lined up how they are listed on the roster, with shirts tucked in. No kicking soccer ball while in line please.
5. Wear your current coach shirt or you will be unable to be in the photo.
6. Waimanalo traffic can be challenging. Please plan accordingly.
