End of Season Celebration- Kaneohe Region 113 does not provide any trophies. You may plan an end of season potluck. If you are doing your potluck after your scheduled game, please have your gathering away from the field so that you are not disturbing the next game(s).

I wanted to take this time to Mahalo Nui Loa our volunteer coaches, who worked diligently on obtaining their 6U coaching certifications. We appreciate their time, energy and support for our 6U Division. Please remember them after each game and if you're interested in helping out your coach and team that would be fantastic. Suggestions: Team Coordinator, Game Timer, Breakdown, Shagging soccer balls.

Any questions during the season please contact:
