

For 10U, 12U, 14U. You MUST have a lineup card for every game. I recommend printing 13 of these with player numbers and putting them in your coaching bag.

1. Once Logged into AYSO153.com
2. Navigate to **Team Central** -> **Team Directory**

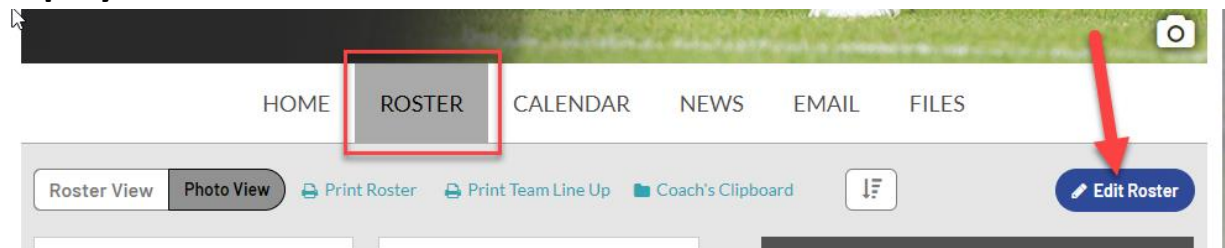

a.

3. Navigate to your **Program**-> **Division**
4. Select your **Team's Home** page

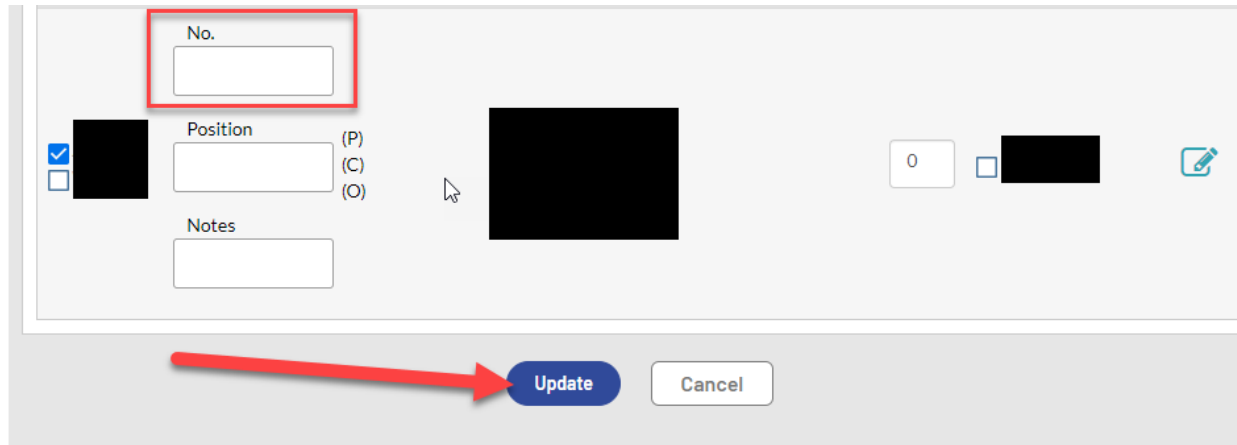

a.

5. To edit player numbers...Select **Roster**->**Edit Roster**

a.

6. For each player enter their Jersey Number in the “No.” field.
7. Once Complete select “Update” button at the bottom of the page

The screenshot shows a form for editing a player's information. The 'No.' field is highlighted with a red box. Below it are fields for 'Position' (with options (P), (C), (O)), 'Notes', and a checkbox. To the right is a large black square representing a photo. At the bottom, there are 'Update' and 'Cancel' buttons. A red arrow points to the 'Update' button.

a.

8. **Printing Line-up Cards...** From the **Team Home Page -> Roster Tab.** Select the **Print Team Line UP** hyperlink. This will take you to the lineup cards you can print

a.

9. You can then Print or Export to PDF and Print
