Certification Specific Steps

Risk Status

This is completed via Sterling Volunteers. After registering as an AYSO volunteer, expect a confirmation email containing a specific-to-you link that can be used to complete the process. Here's the link to complete your AYSO Volunteer Background Check D Internet

AYSOs Safe Haven Concussion Awareness Sudden Cardiac Arrest

Click the AYSOU link in the top-right corner of the account view (circled in Red in the previous screenshot). These courses are all found in eTrainU in the **Safe Haven** section.

SafeSport

Click the box next to the certification, and then the Renew & Update option to get a link. Use the same email as your volunteer sign-in when registering!

Note: this has significant overlap with prior courses – please be patient as our volunteer team works to remove duplicated course content.

Training for this is at eTrainU. See the next section for step-by-step guidance.

Using eTrainU Accessing eTrainU

1. Login

Start by signing in to <u>www.aysosm.org</u>. (Using the same credential you registered with).

This will show Sports Connect login – our platform provider.

2. Click on Profile > Account.

You'll likely have fewer menu options than shown here.

3. Click on Volunteer.

4. Click on AYSOU.

If you aren't seeing any volunteer roles, sign-up as a volunteer first!

If you are still unable to see the AYSOU button, check out this help guide (<u>click here</u>) for support numbers/emails to connect with.

This will jump to the "eTrainu" environment – the platform for all your training needs.

Skills Passport lists the training you have previously completed.
My Training lists the training you are currently enrolled in.
Training Library lists courses available for you to enroll in (online and/or in-person).
Training Event shows a calendar of available courses.

Enrolling in an in-person course

1. Select the "Training ≡ Event" option on the 삷 **Training Event** menu bar. Ŷ Regions This is where all of the 3 My Enrolled Events Online Content is 🗉 የ = Ē hosted. June 2022 < ÷ Wed Þ ? 2. order to get results. (In the example here, "8U(space)" was typed.

3. Tip: Broaden the search

By removing the Region and having a location with 50km, neighboring regions will be available to select.

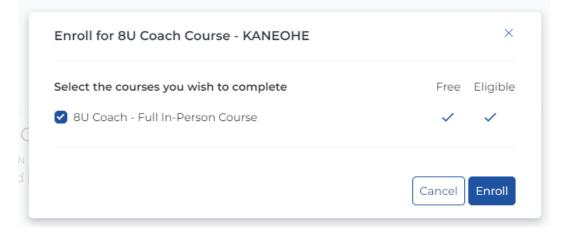

4. Click "Enroll" and check your email for confirmation/followup guidance.

Any follow-up email will include download instructions where appropriate.

Enroll

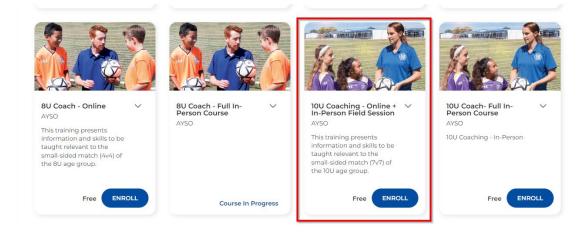

Enrolling in an online course

- 1. Select the "Training Library" option on the menu bar. This is where all of the Online Content is hosted.
- 2. Select "View Courses" under the Coaching Section.

3. Enroll in the appropriate course. In the example here, we are a 10U coach.

A few important notes:

- Your Division Coordinator can provide guidance on which option to select (typically in-person is preferred over online).
- If you wish to unenroll, click reply on the confirmation email (as there is no in-browser option to undo).
- If a course is not displayed, it may be because you are already registered.

4. Click Start on the Course and follow the on-screen prompts.

Online courses often include an in-person component – as highlighted here. Clicking on it will navigate you to the Calendar View to schedule a class.
