

American Youth Soccer Organization (AYSO) Region 1296

Dear Community Member,

Nothing warms the heart more than seeing the triumphant smile on a child's face after scoring a goal for their team. And this is what motivates our volunteers to put countless hours into running an organization that provides a safe, fun and affordable soccer program for our community youth.

The American Youth Soccer Organization (AYSO) Region 1296 is an all-volunteer, non-profit organization serving Capac and surrounding communities. Started by community volunteers a decade ago, this program continues to run successfully with the generous and greatly appreciated help of various local sponsors.

Your sponsorship not only helps our program operate but also puts you in the public eye as a charitable community member. Hundreds of players and spectators will know that you helped provide an affordable sport for your community to enjoy.

We've broken down the sponsorships to provide everyone with a chance to contribute in a manner that best fits their current budget. If you've volunteered or sponsored a team in the past, we'd like to take this opportunity to thank you kindly. And if this is your first time sponsoring – thank you, and welcome to the AYSO family!
