

Practice Protocols Going Forward

- Patron Waiver Documentation – Signed and kept on file
- Waiver / Release for Communicable Diseases including COVID-19 – signed and kept on file naming all Baseball or Softball Associations playing interlocking schedules
- Fields – Only players & coaches are allowed on the field and in dugouts
- Equipment – Discourage sharing equipment; Provide Lysol wipes to coaches so they can disinfect catcher's gear if players switch out during practice
- Hand sanitizer – Encourage use of hand sanitizer among coaches/players during practice.
- Lights – Lights will be needed and should be approved on a case-by-case basis with youth sports coordinator or facility manager.
- Scheduling – Allow for midweek practices to 9p; allow for Saturday practices; keep bathrooms locked on Saturday's practice days.

Games / League Play Protocols

- Park Access – Utilize one-way ingress egress to park and or playing fields when possible.
- Encourage no more than 2 adults per player
- Temperature Check – Require temperature check for all who enter the park and or playing fields.
- Masks - Requirement for spectators, parents, coaches, and players not on field; Mask should be monitored throughout the game.
- Hand sanitizer – Encourage use of hand sanitizer among coaches/players throughout the game.
- Social Distancing – Cordon off bleachers and have parents sit in chairs around the fields; Players will not shake hands after games.

Games / League Play Protocols

- Equipment – Discourage sharing equipment; provide Lysol wipes to coaches so they can disinfect catcher's gear if players switch position; Rotate game ball between half-inning (team keeps control of the ball)
- Dugouts – Social distancing should be followed as much as possible. Dugouts should be extended by caution tape or other barrier to increase the players and coach's ability to maintain distancing. Players & Coaches should wear masks while in the dugout. No shared water coolers/Players must bring their own drinks
- Scheduling – Play Saturday games only; Increase time between games to limit congestion
- Quarantine – If player or coach tests positive, that team and their opponent(s) 14 days must quarantine for 14 days
- Restrooms – Social distancing markings need to be added to floors to limit people bathroom at any given time
- Concession – Only sell pre-packaged items; no cooking

Outside Practices, Tournaments & Games

- No outside of Association practices, games or tournaments should be scheduled where the same strict guidelines are not followed.
