COVID-19 Return To Play Update
Effective: March 22, 2021

Soccer In The Streets Return To Play Committee has researched and evaluated procedures during this time period. All procedures are to be followed until further notice.

- **NO more temperature checks**
- **Coaches are still required to wear masks while coaching**
- **Players are not required to wear masks while playing**
- **Parents/Guardians/Spectators are required to wear masks**
- **Sanitizing hands not required but available upon request**
- **Pennies are OK for youth programs -- as long as they are washed regularly**
- **NO #'s restriction on the fields**
- **NO loitering before and after practices or games**
- **East Point Station Soccer will remain CLOSED until further notice**
- **All travel (carpool, van, transit) is permitted only if all are wearing KN95 masks which will be provided by SITS.**

***Locations will have their specific policies regarding spectators. Please adhere to them. For example, West End Station Soccer will allow spectators in the area between the fields whereas Lindbergh Station Soccer will not have spectators in the same area in between fields.**

We will continue to evaluate these procedures and make any necessary adjustments when needed.

Stay safe and have fun!

Tony Carter
Director of Programs
