

FREQUENTLY ASKED QUESTIONS

WHY SIGN UP AS VOLUNTEER UNDER FALL 20xx CORE?

AYSO and other soccer leagues have volunteers which are closely associated with the teams. Under Sports Connect we call them Admins. **Basically these admins travel with the team.**

Admins are: Coach, Assistant Coach, Team Manager, Team Parent, Team Referee, Youth Referee (team), Fund Raiser (team), Communication Manager (liaison for team).

In AYSO we have other volunteers which are not associated with teams.

Such volunteers for AYSO are: regional commissioner, treasurer, regional referee administrator, regional coach administrator, field manager, independent referees, coach trainers, referee instructors, statistician, advisors, assessors, sponsors, concession manager, etc.

We will create a separate group program we call 20xx Volunteers (Not Team Associated).

In AYSO we can create a different group for referee related volunteers as they can basically travel and help anywhere to help referee and administer.

However the majority of the referees are team referees closely associated with teams. So there may be some confusion when another program with the word referee in the description or title is listed.

As such we not include a separate program for referee related volunteers but we will include Instructors, Assessors and Mentors
