

This is how the point system works for all games played in our region 73.
Points are combined: Points = ref service points.

- 1. Earn game points on games: referee is present.*1**
- 2. Earns points if team-referee works on game day.*2**
- 3. NO game points if referee works own game.*3**
- 4. Game Points: 2 for a win, 1 for a tie, 0 for a loss. *4**
- 5. 1 pt for CR and ½ pt AR referee service on game day.**

*1 Neither teams gets a game point as it is a scrimmage. Team can still earn a point for ref service

*2 A team-referee is associated with team in his profile on CGI system. This is how we prioritize games.

*3 The RRA can make exception for ref doing own game. MUST follow rules:

= Only give permission if no other choice is on the game schedule.

= Permission given **prior to the game start** in writing on the game card

= Both coaches must accept (signature) with permission statement of RRA.

= The referee doing his own game commits to do 1 additional game (neutral) on the same day in any position.

*4 No extra game points for goals scored or shoot-out.
