Head Coach of Soccer Team

Division	Team Number	Team Name	Admin

Below is a list of Team Referees which have agreed to work with me to earn referee points I have spoken to them and they are aware that they need to work each weekend to earn referee points for the soccer team. Either myself or a representative of my soccer team will be in regular contact each week with these team referees to ensure that they coordinate the work on these game days and distribute the referee points as required. If there are other teams these referees work for then the referee will be consulted to which team(s) the referee points will be distributed on each game day. Referees are free to talk to other team referees of other teams to develop friendship between referees and coaches. Referees and Coaches should motivate themselves and are encouraged to coordinate the work of their team referees so all soccer teams will benefit from these hardworking individuals. As a coach I will try to stay in contact with my team referees as to make them feel good and thank them for their efforts.
