

AYSO Region 583 - South Ontario 2026 Spring League Sponsor Form

South Ontario Region 583 is in its 38th successful year providing soccer fun and competition for our youngsters. AYSO is dedicated to developing our kids into proficient soccer players, effective, contributing citizens and to building both the minds and bodies of these young boys and girls. The Spring Program allows players advanced training and competition each season. The Spring League program *MUST* be self-sufficient; hence the need for sponsors is much greater for spring.

AYSO is a total volunteer organization. It operates throughout the United States at a grass roots level. Our Referees, Coaches, the Regional Board and all the many other volunteers give freely of their time and talents for the kids. However, there are recurrent costs involved in running the region each year. In 2025 we had 600 players register with our region. For the Spring League program, many teams desire to take part in tournaments each spring. Here is where your help comes in. Your tax-deductible donation will assist in sponsoring one of our teams for tournaments and other activities. You or your company will also have the satisfaction of helping the children in our community.

THANK YOU for your support for the children of the Region.

The players and parents of AYSO Region 583 - South Ontario extend their appreciation in advance for any sponsorship you may wish to contribute. And remember that AYSO is a 501(c)(3) nonprofit organization; therefore, your contribution is fully tax-deductible. You will receive a letter from our Regional Treasurer indicating the amount of your contribution and the AYSO non-profit tax identification number for your tax records.

PLEASE SEPARATE HERE AND RETURN THE BOTTOM PORTION WITH YOUR CHECK

MAY WE COUNT ON YOUR SUPPORT? _____ **You may donate any Amount: \$** _____
