Depending on the number of tournaments your team selects this can take your season thru July.

Spring Select is a self funded program that your team will be required to provide all funds for uniforms, tournaments, travel, etc. All funds contributed must run through the Regional Treasurer. Your team is responsible to track all funds received from players and the amounts deposited with the treasurer so that you can balance with the Regional Treasurer at anytime.

Each team must have certified referees for league games and tournaments without calling the Regional Referee Administrator for support on your assignments.

Teams must comply with the AYSO Area guidelines for substitution.

Advancements of your players are expected by the players, parents and your league. Advanced training methods should be used to meet this expectation.

As the coach you are the ambassador for the league and team. It is your responsibility to control your sidelines at all times to ensure respect for all players and referees. Any incident with you, your parents or players must be reported immediately to the Regional Commissioner – Janine De Jarnatt.
