

Register to Be A Volunteer

Ayso is a volunteer based organization. It is because of the volunteers that our kids are able to play. Volunteering can mean as few or many hours as your schedule will allow. We appreciate the time and effort all parents, grandparents, siblings, friends, cousins, aunts, uncles, etc. put in to make AYSO a fun and fulfilling experience. To ensure the safety of our players there are two required steps each volunteer has to do, register as a volunteer and complete the Safe Haven online course.

Step One: Register as a Volunteer:

1: Log onto eayso.org

As you know our players are in a competitive level of soccer. In order to move on to finals a required amount of hours of refereeing must be completed, as well as time spent painting the fields. It has been our experience that when we work as a team, these hours are easily obtainable. We are looking forward to a great year! Thank you!
