Q: What equipment does my player need?

A: We ask that all players have the following

- Shin Guards (**Required**)

The following are recommended but **Not Required or Necessary**

- Ball and Pump (**We have several**)
- Cleats (**Any Shoes Will Do!**)

Q: What if my player can't make a practice/game?

A: Life Happens! Unfortunately, we do not have "Make Up" Sessions.

Q: Will snacks be provided?

A: Yes! But I encourage all parents to bring snacks for their players to avoid any issues with dietary restrictions. Please let me know of any severe allergies.

Q: Will I be notified regarding any changes to the schedule?

A: Yes! I will communicate any schedule changes via email!

Q: What happens if it rains, or it is too hot?

A: If the weather does not allow for play, we will cancel practice/games

Q: My player is interested but is concerned about the stigma of the program.

A: This can be a common issue with players as they get older. We would be happy to coordinate with another region that has an "advanced" section or work with them independently at the end of the session.

Q: How can I get involved?

A: Send me an email at epic@ayso214.org
