### AGENDA

SUBJECT	NAME
<b>Call to Order 7:04pm</b> We need to form teams in July to start practicing in August. We need to have player evals in June and July. Thanks to DCs for coordinating dates. We need volunteers to referee and coach.	Manny
<b>Past months meeting minutes:</b> Motion to accept May meeting minutes by Christina, second by Ricardo. Motion Passes.	Christina
<b>Nominations:</b> Motion to nominate Ronnell Davis for Coach Equipment Administrator and Angela Argueta for Social Media Coordinator by Christina, second by Ricardo. Motion passes.	Christina
<b>Discussion on Extra program</b> - results based off Assessments. Coach selection committee was formed and will meet next Tuesday to make the selection. Once the coach(s) are selected, the committee will review the list of players to consider as primary candidates for the team(s). Coach selection needs to be submitted by end of June. We submitted our intent to play EXTRA to Section last week. David Martel & Ricardo have provided Emily with items to consider for the budget. 2012 girls players rated 350+: 3 (12 roster spots up to 13) 2012 boys rated 350+: 5 (12 roster spots up to 13)  Ricardo poses the question of whether or not we have the talent at each level to proceed with EXTRA at this time. In 2019 mixing the younger players with older players did not work out well. Competition at a higher level improved he skills but the pain they went through was intense. We should learn from the past and improve on the efficiency and not force something that is not there at the age level. This affects the whole region. Is this the right thing to do at this time? Julio agrees the talent is not there to proceed. Jeff said that it was discouraging for the players losing each week and not being competitive in their division. If we do not have a competitive team, it will be a season long struggle. Manny said that when it comes to EXTRA, generally the other regions are bigger with approximately 2000 players to pull from. From the beginning they have an advantage. We are the middle weight competition in a heavy weight class. Do we want to try?	Emily & All

Everyone Plays – Balanced Teams – Open Registration – Positive Coaching – Good Sportsmanship – Player Development.

## Providing a world class soccer program that enriches children's lives.

<p>Julio – yes there are bigger, better Regions with better player pool selection, look at what Julio's 12UG did against those EXTRA teams. Maybe another year will give them the advantage.</p> <p>We started providing keeper training and with more skills training we will be able to get the kids where they need to be skills wise to move forward with EXTRA. We need to work as Board to develop more opportunity to build skills.</p> <p>Worst case scenario is that we struggle through the season.</p> <p>Do the parents want to pay \$750+ to watch their kids struggle for a season?</p> <p>We should focus on the younger players and building their skills to start EXTRA at 9U.</p> <p>Electronic motion to be sent: motion to postpone our application to participate in the extra program 2022 until a reset of 2023 by Ricardo</p>	
<p><b>RRA Report:</b> Region plans to bridge field portion certification: One referee has upgraded. Waiting for more classes to come up to advance. 3 Regional classes in Glendale coming up.</p> <p>Pro referee program needs to be developed. Janet offered to help develop the program.</p> <p>Jeff will find out if we can use a large room at Barnes Park for Pro Referee training. The pro referees do not need to do the full 8 hours. They can do ½ online and then we can create a field portion for the kids.</p> <p>All of the referees who only took the online portion need to complete their field portion.</p> <p>We can coordinate with other regions to begin the process.</p> <p>No observations until Core starts.</p>	Matt
<p><b>Registrar Report:</b> We have 641 registered and 124 waitlisted. Schoolyard can accept 3-year-olds. We had 1 in-person registration in May. Now we have an idea of what to expect if another is held at Barnes in June during evals. Registration closes July 31.</p> <p>Banners: We have both banners up. Are we keeping up the Monterey Park banner for another month for \$300. Alhambra will be \$120? The banners are only in English, we will need to decide if we will redo the banners with other languages. Each banner was \$600-700.</p> <p>Motion to keep the banners up until registration closes by Christina, second by Ricardo. Motion passes.</p>	Janet
<p><b>Coach Admin Report</b> - Region plan to bridge field portion certification:</p> <p>Soto is currently working on his budget, recruiting coaches and DC's, presentations, and eval sheets. Each presentation and evaluation will be specific for each division. The message will be the same, but Soto wants to be specific and more organized. Soto will introduce the DCs to the coaches and parents right before the season starts. Soto will print and give a package to all coaches and it will be detailed, with important dates, rules, and expectations... Soto deso not want our volunteers to say "I didn't know." Soto will do this 1 to 2 weekends before opening day. Soto has made a few changes from last year. Some of these changes were made after discussions with all DCs and the Executive Board, other changes are AYSO implemented, such as the Safe Sport certification, a Certification not everyone on the board has completed. Please do so! We are going to be very strict with the laws and rules of AYSO. The system makes it easier for us to check individuals one by one, If in the past you have gotten away with coaching or</p>	David Soto/ Christina

volunteering in any capacity without being fully certified, this time around we will hold you accountable.	
-A Coach that hasn't completed their certifications, will not be able to receive the coach equipment bag and uniforms.	
Do we want to require coaches to be referees? Glendale also requires this. Other regions have sportsmanship points, if the coach buses the referee, they lose points. Are we limiting coaches to coaching 1 team? No.

<b>DC Reports</b> - # coaches recruited etc., Assessment days, team formation  Jim: 10U – 80 boys, 70 girls registered. A few on the waitlist. 2 coaches for each, Evals for both are set for the 13 <sup>th</sup> , 27 <sup>th</sup> & 1 <sup>st</sup> . Hopefully we will have all evaluated and team formation by middle of July latest beginning of August. A couple of boys teams are going to some tournaments. Matt: 8UB – largest division so far Mark: Schoolyard – 29 boys, 5 pending payment. 11 girls. Only 1 head coach, 5 assistant coaches and 1 field prep. Julio: 12UG; has 3 coaches depending on what happens with EXTRA, may have 3-4 more coaches. Approximately 6 teams. 40 allocated, waitlist. Christina: <ul style="list-style-type: none"> <li>• 6UG – 4 teams</li> <li>• 6UB – 8 teams</li> <li>• 8UG – 5 teams</li> <li>• 12UB – 7 teams</li> <li>• 14UB – almost 4 teams</li> <li>• 14UG – 5 teams</li> <li>• 16U/19U — both 16UB teams made Spring Cup playoffs, so we brought home 1<sup>st</sup> and 2<sup>nd</sup> place. UD evals will be Wednesday June 8<sup>th</sup> at Barnes Park. We have enough players for 1 -19UB team, 1.5 16UG teams and 2.5 16UB teams.</li> </ul>	DCs
