California AB 506 (Effective January 1, 2022)

Effective, January 1, 2022, all administrators, employees and *regular volunteers* in California **MUST** have a one-time background check as approved by the California Department of Justice to exclude individuals with a history of child abuse. This form of background check requires live scan fingerprinting.

To clarify, a *REGULAR VOLUNTEER* is a person who has direct contact with children 16 hours a month or 32 hours per year, which applies to most coaches, referees, team parents, and board members who spend 2 or more hours on the field weekly.

To help streamline the process, we have partnered with ApplicantServices.com. Through this process, the cost has been reduced to \$20 - \$25 per volunteer based on the process you use. If you are fingerprinted at a live AYSO event the cost is \$20 and \$25 at a Live Scan Service Center (UPS Stores). ***Please understand that this specific process has been negotiated specifically for AYSO, so you will need to register via the link provided below to receive this cost discount and to ensure the information is sent to AYSO directly from the California Department of Justice.***

Please note that Livescans are not transferrable from another organization, so you need to perform this process for each applicable organization you volunteer with, but the good news is that this is a one-time requirement.

FINGERPRINTING PROCESS

AYSO has partnered with ApplicantServices.com to streamline the fingerprinting process. The registration process will prompt you to: complete your personal information, select a fingerprinting location, make an appointment, and watch a short video on how to prepare for the fingerprinting session to minimize rejection.

EMAIL AUTHENTICATION

The first step in the registration process will be to authenticate your email address. Once you provide your email address, you will receive a 6-digit code in your email box. Note, if you provide your cell phone number during the registration process, you will receive appointment text reminders. To track transaction progress, use the Transaction History link at the top of this screen.

Frequently Asked Questions (FAQ)
