1. RC Updates - Alex

- Area News- Alex running for second seat. Nationals our region did awesome. U10 girls took 1st place. Tomorrow at 5:30 pm at Tonys we will have a celebration and prizes from the region. U11 Extra took 4th place. U19 Girls did great especially for being a young team. Many are 14/15 playing against 17/18 year old girls. U14 Boys did great and were a last minute stand in for less than 12 hours. U19 boys did great but also suffered injuries. Referees showed up. 2027 will be in Alabama. When it becomes available he will reach out to the teams to see who is interested to put in a bid.
- Expo
 - Attendance
- Fall Opening Day Saturday September 6th.
- Field keys: who has keys to the fields?
- Referee Abuse Program is critical and has hefty penalties. We will have a committee to decide how many games suspension for acts referred to in RAP program
- Possibility to hold our first Spring Championship tournament IN HOUSE ONLY
- Hollyglen will have same availability as last year but cannot be used while seeding and watering.
- TRASHHHH we need to get everyone together and go to Del Aire and clean up the trash on the field. We can show them we are working on it and hopefully they will give us DaVinci for less. Currently want to give it to us at \$150/hour.

Submitted a request to pay \$50-75/hour so we can use it. Otherwise other cities and clubs will use it. Let's keep our fields clean.

- Meeting with baseball tomorrow via zoom to give them the availability. We will give them less as we have increased the number of players. No Saturdays until after 3pm, Mondays or Fridays and Sundays after 12 noon.\
- Started changing the fields to keyless. They were supposed to be done by the 6th but have not let us know they are done. Have a lot of safety concerns for the school and the youth.
- We are very happy with Zeeni. They work with us, they are on time, they are accurate. Hass treats us like family.
- Thank you to the commissioners and board for a successful 2024 year. The parents may not see what we do, they do not see the hours we put in.
- A lot of thanks to Jerry taking many hours with BB-Paint.
- Thank you to Chevy for always being there for the boys, the parents, the community.
- Thanks to Jesse for taking our girls to a higher level.
- We have created a year round program that has made this region rise. It is because of our volunteers.
- Thank you to our XFactor Player Xavier Guerrero. He exemplifies qualities that and traits that cannot be taught. He is an outstanding athlete, he is at the field all day, he helps anywhere needed with no questions no hesitation. He is a true leader of tomorrow. Going to St Johns in Minnestota and made the second team and will work to make the first team by mid season. We do not need club we need good coaches.
- Alex will set up a date to get us together to work on getting new volunteers.
- If there is a warrant and ICE has ID then they can come in but we as a board will not allow them to come on to our fields.

2. Registrar - Susie

- Fall Registration- Close registration this weekend.
- Working on the rosters next week Monday, Wednesday, Thursday at Tonys at 6:30 pm. U12 working on their own and are done.

3. Treasurer Updates- Mario

- Finances are looking good. We just need to close out the books but have never done per Shelly. We are behind as far as budget so they will be cut a little bit and must be approved. \$25,000 less than last year at this point. We are down 150 players at the moment. The prices for paint, uniforms, lights,

equipment and other items have gone up from last year. We did upgrade a lot of equipment which is a cost.

- We agreed by vote to charge for the clinics. \$50/player for 4 weeks. Consider giving them it for \$25 if they do youth referee and after 5 games we give them the \$25 back. Suggestion is to charge \$60 and buy out their chocolates for them.

4. Safety Coordinator- Chavita

- Claudia will take over starting in the Fall- working on the safety plan and should have it soon.
- Learning as she goes. When you are walking the fields and if we note anything then please let her know so she can address them.
- We are at the mercy of WUSD so she will work with them.
- What do we do if kids play on the playset at Hollyglen who is liable? Claudia to look into it.
