

## How to Get to AYSO Trainings

The following instructions will apply for all volunteers for AYSO. If you have any questions, please do not hesitate to ask.

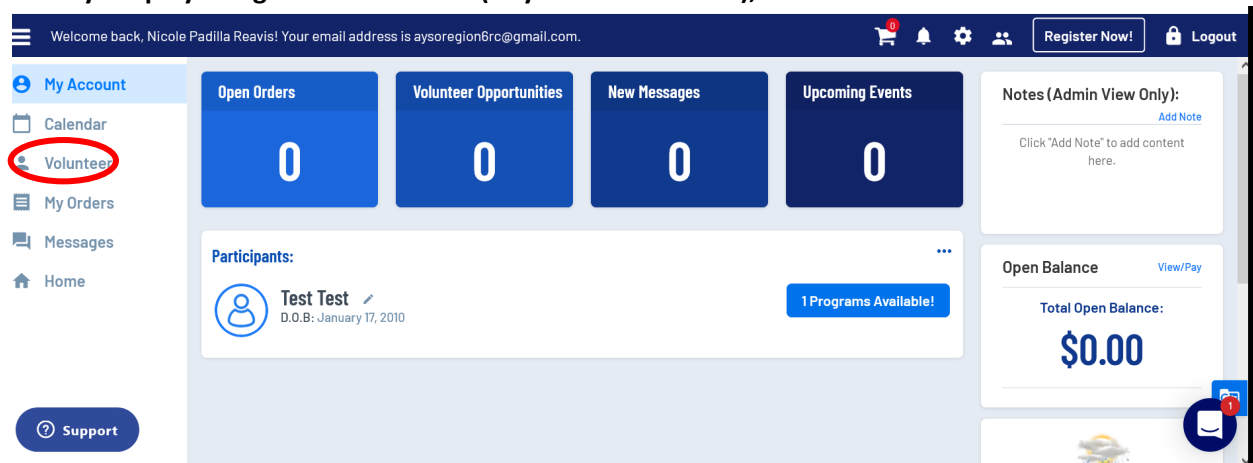

This (image below) is where you will log in to register as a volunteer. If you are the parent that registered your player, you will use the same log in information. If you **are not** the parent that registered, you can still register as a volunteer using the same log in OR if you need, you can create your own account as a volunteer only. More than one volunteer can be on the same player account.

## Accessing Sports Connect

1. Go to your region's website.
2. Click the '**Login**' button located at the top right of the screen.

From your player registration account (or your own account), click on **Volunteer tab**

## This will bring up your volunteer account

Here you will see what you have completed and what still needs to be completed. This is also where you will find the training portal, AYSOU.

### Click on AYSOU

The screenshot shows the 'My Roles & Certificates' page for Nicole Padilla Reavis, a Board Member. The left sidebar contains links for My Account, Calendar, Volunteer (selected), My Orders, Messages, and Home. The main content area shows a role for '2022 Fall Co-Ed Soccer 51017-442187' in the 'Playground - Girl' category. Below this, under 'Region 6 Area 1F', is a table of certifications. The 'AYSOU' button is circled in red.

Certification	Expiration Date	Status	Compliant
<input type="checkbox"/> Risk Status	04/28/2023	Green	<input checked="" type="checkbox"/>
<input type="checkbox"/> Concussion Awareness	None	Verified	<input checked="" type="checkbox"/>
<input type="checkbox"/> Fingerprinting California Only	None	Verified	<input checked="" type="checkbox"/>
<input type="checkbox"/> Sudden Cardiac Arrest	None	Verified	<input checked="" type="checkbox"/>
<input type="checkbox"/> AYSOs Safe Haven	None	Verified	<input checked="" type="checkbox"/>

## This will log you into the AYSOU portal

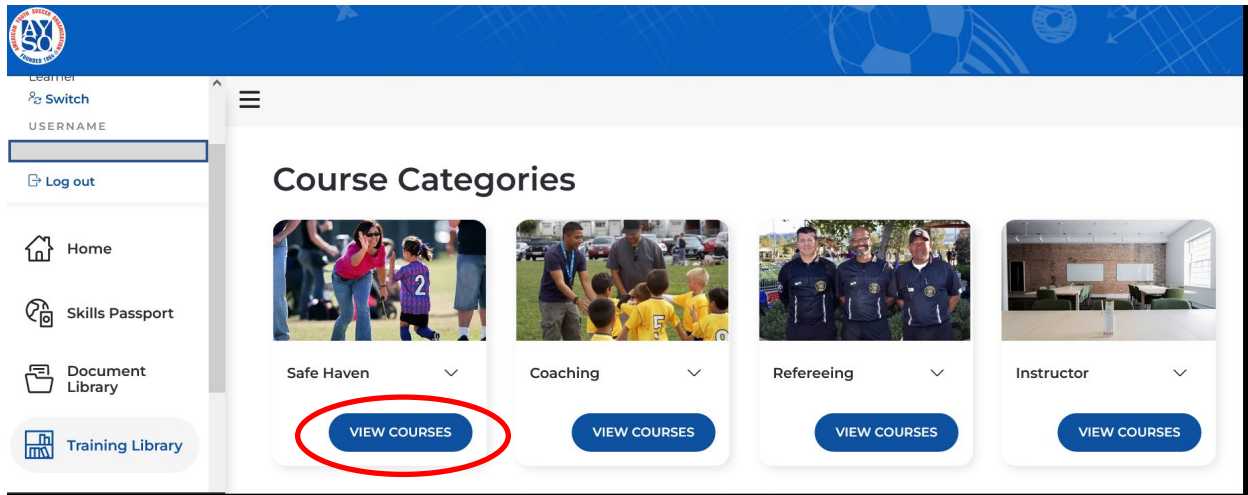

The left-hand side of your screen is where you will find: list of certifications from trainings that you have completed, trainings, library of manuals & videos & completed training programs.

For now, you will **click on Training Library**

The screenshot shows the AYSOU portal home page for Nicole. The left sidebar contains links for Home, Skills Passport, Document Library, Training Library (circled in red), Training Event, My Training, and Help. The main content area displays 'Welcome Nicole' and 'LMS Level: Learner'. It also shows two linked accounts for 'Region, Region 6' with 'SWITCH' buttons. The footer mentions 'Powered by etrainu'.

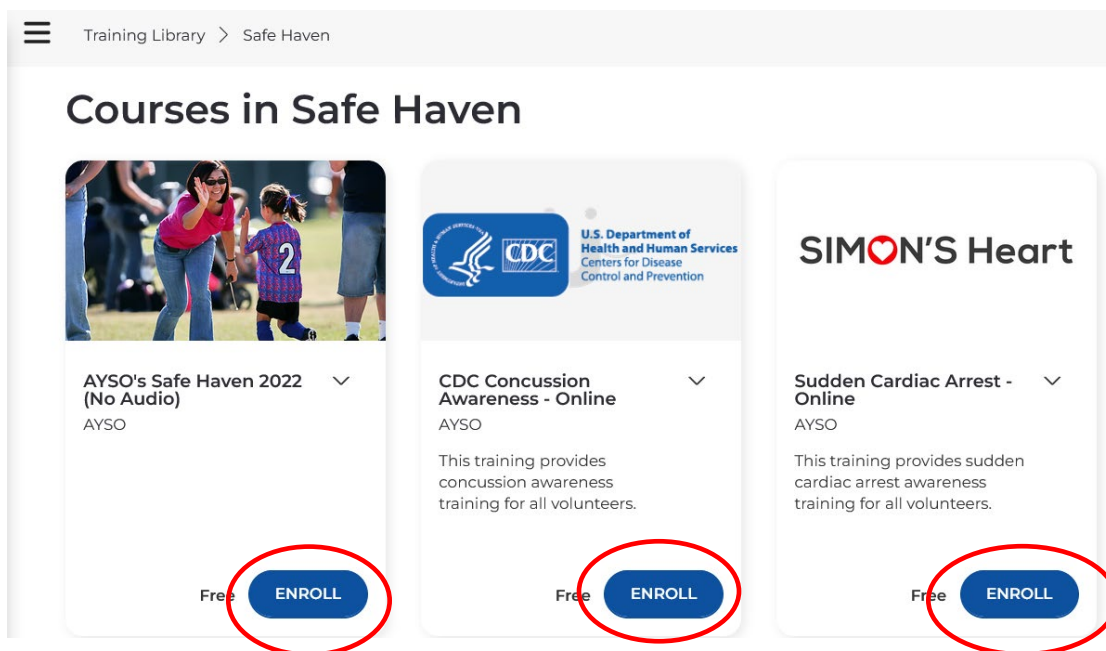

Your first tab will be Safe Haven.

**Click on View Courses under Safe Haven**

This will bring up the courses that **all volunteers will need to complete**. All of the courses are free and vary in the amount of time that they take to complete.

**Click Enroll to complete a course.**

## COACHES

If you are a coach or assistant coach, you will need to complete the coaching course for the age division that you will be coaching. It is recommended that you take those below your age division for “extra education”, but it is not necessary. We must note that not all Regions are created equal and some of the practices do not apply to our structure of play.

Playground, U6 & U8 coach training is all done online.

U10 and above require field training in addition to the online course. **At the very least**, please complete the online portion of the training that you need. We will let you know when there are in-person classes available in our area (or close by). Feel free to search the calendar to check if there are courses coming up.

The same applies for those interested in becoming a referee. We encourage all coaches to take the referee course to become more familiar with the laws of the game.
