AYSO Apricot Jam Tournament

Referee Plan

Boys and Girls

April 20th & 21st 2024

Commitment Requirements

- A. Each team participating in the Apricot Jam Tournament must provide a "Qualified" referee team which consists of 3 experienced "Eligible" Referees.
- B. The Apricot Jam Referee Information Form must be completed, approved by the Region Referee Administrator and returned with the Team Application.
- C. Each referee team may be asked to officiate 3 matches during the tournament. These may be game assignments or standby assignments, which will be consider equal in terms of earning the referee deposit refund.
- D. Failure to meet the requirements can result in forfeiture of referee deposit. If all assignments are completed, the entire referee deposit of \$350 will be refunded within 21 days of the completion of the tournament.
- E. The deposit refund check will be returned to the Region address shown on Referee Information Form.
- F. Remember: the quality of officiating is largely dependent upon the experience and abilities of the referees you provide.

Qualification Requirements

- A. **Eligible Referees** must be registered as a volunteer for the 2023 membership year, must have completed the current Safe Haven and must be AYSO Referee Certified. A "Qualified" referee team is expected to have 3 experienced "Eligible" referees. Each 3-member referee team is expected to have at least one comfortable centering in the division of the team they represent.
- B. Each referee must be versed in the Laws of the Game, including current law changes and capable of applying the laws according to the spirit of the game.
- C. Each referee may only represent one team in the tournament.
- D. Players in the tournament will not be allowed to officiate.
- E. Coaches in this tournament are strongly discouraged from officiating because we do try to assign referee crews immediately before and immediately after their teams' games and so that the scheduling of referees with the best experience and without conflicts can be accomplished. If an exception is warranted due to lack of other referee volunteers, this must be approved in advance by the Apricot Jam Referee Administrator.
- F. Youth referees will only be allowed if they are not a player in the tournament and must be at least 2 years older than the age group they are refereeing. Care must be taken when considering whether to allow a youth referee to officiate in the heated environment of a competitive tournament. These referees must always have their Youth Volunteer Application form with them and present it to any Tournament official upon request.
- G. Not providing at least one qualified center referee may constitute grounds for forfeiture of your referee deposit.
- H. It is the Regional Referee Administrators responsibility to check and insure that all Referees submitted are registered with AYSO as 2023 Membership Year volunteers, and that they have completed Safe Haven and are AYSO Referee certified at the level stated. If we become aware of any Referees not meeting the above requirements, there will be NO reimbursement for the game assigned to or officiated by that referee.
- I. Any changes to the referees submitted with your original application must be submitted no later than 14 days prior to the tournament. Any changes or substitutions to the referee crew requires the submission of a new form signed by your Regional Commissioner or Regional Referee Administrator.
- J. <u>Emergency</u> replacement referees must get approval from the Tournament Referee Administrator and must submit an updated signed Referee Information Form no later than 5pm on the Thursday before the Tournament.
