

Prospective Travel Team Coaches,

Thank you for your interest in coaching an Travel Team Team. Coaching an Travel Team team is a lengthy commitment starting by mid-October and lasting through June.

With respect to the process, our deadline is September 30 to submit your Travel Team Coach Application. Verbal applications will not be recognized. You must allow the committee time to review all the applications. Please do not assume that you can become an Travel Team coach simply by default if no one else submits an application. Until you are formally approved and selected, you do not have an Travel Team team on which to offer anyone (players or Asst Coaches) a position. **Teams will only be formed if a qualified coach is approved by the Board for the division, and then only if a competitive team can be formed based on the skill level of the players committed to the team.**

Assistant Coaches will first, be screened and selected from the Head Coach applications or second selected from the pool of players selected for the Travel Team team. They should meet the same standards, and follow the same guidelines as the Head Coach to qualify. Applicants not initially offered an opportunity to be an Travel Team coach will receive first consideration for Assistant Coaching positions in the same division.

Thank you again for your interest in Travel Teams. The Travel Team Coach Selection Committee will make its decision as quickly as possible and notify all applicants of its decision.
