Special Programs

Special Programs

EPIC (Everyone Plays In our Community) is AYSO's inclusive soccer program for children and adults with physical or intellectual disabilities, or different abilities that may prevent them from playing on mainstream teams.

Whether your player is on the autism spectrum, blind or visually impaired, has Down Syndrome, cerebral palsy, or limited mobility – EPIC is here to welcome them to the field!

The program runs in both Fall and Spring, with 1-hour sessions every Saturday that combine practice and games. EPIC relies on dedicated volunteer "Buddies" (ages 12+) who assist players on the field, helping them build confidence, develop teamwork skills, and experience the joy of soccer.

Cost: \$25 AYSO Membership Fee
