[Everyone Plays®](#): Every player on every team must play at least 50% of every game, ensuring everyone gets to experience the game.

[Balanced Teams](#): Teams are formed to be as evenly matched as possible to create a better, more competitive, and enjoyable learning experience.

[Open Registration](#): The program is open to all children aged 4 to 19, regardless of skill or experience, with no tryouts or cuts.

[Positive Coaching](#)

:

Coaches are encouraged to be supportive and encouraging, focusing on building character, confidence, and skill rather than just winning

.

[Good Sportsmanship](#): A positive, respectful environment is emphasized for players, coaches, and parents, treating opponents and officials with respect.
