

# Graduating High School Senior Scholarship

Each year, Region 137 awards scholarships to graduating seniors of the same calendar year from the Hemet/San Jacinto Valley high schools. Recipients for these scholarships will be considered based on available funding. The criteria for being considered for this scholarship are:

- 2.5 GPA(Provide an Official Transcript)
- 5 years of participation in AYSO (See below for specific eligibility rules)
- Plans to pursue higher education at an accredited university, college, or trade school.

Individual eligibility is determined based on two different ways: player and/or volunteer. For the player path, players must demonstrate five years of playing time based on Fall season registrations, with at least one year played during high school. A second pathway is supporting AYSO 137 as a registered volunteer for five years, with a minimum of one year during high school. A minimum of 10 hours is required in that calendar year for that year to count. Volunteer positions include certified referee, tent assistant, team assistant, and other volunteer positions. Individuals may also combine their time as a player and volunteer, adding up to five years with a minimum of one year during high school. Individuals may not combine volunteer time and playing time in the same calendar year when combining player and volunteer time.

Individuals who meet these criteria must pick up or print out a scholarship packet from the Regional Commissioner, High school counselor/scholarship coordinator, or online at [www.AYSO137.org](http://www.AYSO137.org). All completed applications should be e-mailed to the Regional Commissioner at [rc@ayso137.net](mailto:rc@ayso137.net) by 3 pm on March 15th, 2024. Recipients will be notified at their senior awards/scholarship night.
