**Instructions For Team Rating Worksheets**

**\*\*Mandatory\*\***

Team ratings are due on your last regular season game.  
Please them in at the referee tent.

The team rating worksheet is very important. Please fill out the worksheet carefully and if needed please seek help from your Division Coordinators. This worksheet helps AYSO balance the teams every season. Inaccurate information can truly affect the rosters formed every season. We are counting on you to carefully observe players and grade them accordingly. Even the most talented players have areas of improvement so please help us perfect this rating system.

Evaluations will be in different categories. These ratings are based on the scale listed below:

**6U-8U**

**1-10 scale**

1- Poor

3-Needs work

5- Average

7- Good

10- Excellent

Please remember that these ratings are confidential and are not to be discussed with players, parents or other coaches.

If you need any help or have any questions please contact your Division Coordinator.

Thank you for all your help in making this a successful region!!
