How to register your travel team

Registration Step 2.4 | VOLUNTEER INFORMATION

REG: Greg Stover for Fall 2026

Registering for: Travel Baseball - Fall 2026

Most of your registration activities will occur offline. Please be aware that all coaches to include all assistant coaches must complete four online classes every three years - AED, Cardiac Arrest, Concussions, Heat Illness. The classes are completed through NFHS although completed elsewhere may serve as a substitution. The club will need to confirm that. Each class takes less than an hour to complete. The training is valuable to any sport. Once a class is completed, you would send the certificate to bbccoachdocs@gmail.com. If you have already emailed your certificate for a completed class to us, there is no need to send again.
