

How to register as a volunteer and signup for referee classes

If you are not registered as a volunteer please go to www.ayso19.com and put your cursor on the “Registration” tab and then click on the “Registration Help” drop down. Then click on “How to register as an adult volunteer” or click the following link: <https://bit.ly/2MsLMsn> . If you are already registered as a volunteer from a previous season you will need to re-sign your volunteer application. Instructions can be found on the link above.

Once you are registered as a volunteer or have re-signed your volunteer form, please go to www.AYSOU.com (or click on the AYSOU tab on the region website). Once you are on the AYSOU website, please click on the “In Person Courses” tab and then click on “Referee Instructor Led Courses” and then click on “Regional Referee Course”. Scroll down until you come the date of the course you would like to take. It should say “Culver City – Regional Referee Class **Region 19**

Once you are registered for the In Person Course, please sign up for the online companion course. Click on the “online courses” tab on AYSOU and then click on “Regional Referee Training”. The online module takes about 60 minutes.

The online training has been designed to provide you with a basic understanding of the fundamentals of refereeing AYSO games. You are not required to have prior soccer refereeing knowledge or experience.

Upon completion of this online training, you should understand the basic concepts, rules, guidelines and duties an AYSO referee needs to do the job. You may return to take one or more of the elements of this Basic Referee Online Training as often as you wish. Reviewing like this will ensure you haven’t overlooked any of the key concepts. Once you feel you have mastered these must know elements, you will be ready to attend the short, face-to-face Regional Referee Companion Course where you will receive the remainder of your certification training. The online course takes approximately 60 minutes. ***If you pass the online exam you do not need to take the exam again at the in person training.***

If you have any questions or need help signing up please contact the Regional Referee Administrator at: rra@ayso19.com
