

AYSO REGION 19 2022 LEAGUE PLAYOFF RULES

During League Play Offs, divisions 10U – 14U will play the standard game size

- 10U = 7 v 7
- 12U = 9 v 9
- 14U = 11 v11

Game Play:

All players are required to play three quarters of each game when the size of their team allows. Those teams with full rosters may have 1 or 2 players (depending on roster size) sit out ½ a game. If this is the case, a different player will sit out ½ a game each week going forward through pool play (this means no player can sit out twice for ½ a game during playoffs).

Players will play three quarters when possible.

Simple rule of thumb, no one plays four until everyone plays three.

Late Arriving Players:

If a player arrives in the first quarter, they must play two quarters. If a player arrives during the second quarter, they must play 2 quarters. If a player arrives in the third quarter, they must play one quarter.

This will be monitored by the Division Commissioners and the Referee Staff.

Should a coach disregard these rules or make an honest mistake, their game will be considered a forfeit.

Goal Keepers:

There is no maximum number of quarters a goalkeeper can play in a given game.

Points:

A. Standings for pool play games will be determined on the “ten-point system” as follows:

WIN	= 6 points
TIE	= 3 points
