

AYSO REGION 19 2019 LEAGUE PLAYOFF RULES

During League Play Offs, divisions 10U – 14U will play the standard game size

- **10U = 7 v 7**
- **12U = 9 v 9**
- **14U = 11 v 11**

Game Play:

All players are required to play three quarters of each game when the size of their team allows. Those teams with full rosters may have 1 or 2 players (depending on roster size) sit out ½ a game. If this is the case, a different player will sit out ½ a game each week going forward through pool play (this means no player can sit out twice for ½ a game during playoffs).

Players will play three quarters when possible.

Simple rule of thumb, no one plays four until everyone plays three.

Late Arriving Players:

If a player arrives in the first quarter they must play two quarters. If a player arrives during the second quarter they must play 2 quarters. If a player arrives in the third quarter they must play one quarter.

This will be monitored by the Division Commissioners and the Referee Staff.

Should a coach disregard these rules or make an honest mistake, their game will be considered a forfeit.

Goal Keepers:

There is no maximum number of quarters a goal keeper can play in a given game.

Points:

A. Standings for pool play games will be determined on the “ten-point system” as follows:

WIN	= 6 points
TIE	= 3 points
LOSS	= 0 points
GOAL	= 1 point (up to a maximum of 3 per game, win or lose)
SHUTOUT	= 1 point (includes 0-0 tie)
FORFEIT	= 8 points (scored as a 1-0 win)
RED CARD	= 2 point deduction for team (Including 2 yellows = send off)
EJECTIONS	= 2 point deduction for team (includes 2 points for each substitute, or coach, or spectator)

B. Winners of ties in standings will be determined as follows:

- Head to head competition
- Fewest goals against (3) per game
- Total goals up to three (3) per game
- Goal differential up to +/- 3 per game
- FIFA Kicks from the penalty mark

Pool Play:

- A. **Pool winners who have accumulated their required referee volunteer points will advance to next round of play.** If a pool winner does not have the minimum number of referee points to advance, the 2nd highest point team in that pool will advance and so on. If any team in their designated pool does not have the required referee volunteer points to advance after the last pool game, then a wild card will be determined. (next highest team based on overall points)
- B. Teams will be eligible to advance to play quarter-finals/semi-final/ and/or championship matches depending on the number of teams in each pool and the format of play for that flight **with qualifying referee volunteer points.**
