You DO NOT need to complete both a referee and coach volunteer form.

If you are coaching in more than 1 division you will need to complete a volunteer form for all of the divisions you will be coaching in.

Now you'll want to click Select

Renew & Update

When you are done, you'll end up back on your home page in your account, which looks like this.

You should be prompted to complete a background check with Sterling Volunteers. If that box does not appear, check your email because you should receive an email from AYSO with a link to Sterling to complete the background check.

If you don't receive an email, you can send one to yourself by clicking the Renew & Update button. That will trigger an email from AYSO. If you still don't receive an email, let me know at morgan174rc@gmail.com.

Select Language

Once you complete your registration form with us, you will receive an email confirming your registration.

This has instructions for how to log on to AYSOU.org so you can complete Safe Haven, CDC Concussion, Sudden Cardiac Arrest and any coaching courses or referee courses you may need.
