

## Coach's Guide 10U-19U - 2017 AYSO Region 68

Here are the steps to set the foundation for a successful AYSO soccer season.

1. **Region 68 Website:** Get familiar with our new region website at <http://www.camarilloaysosoccer.org> especially the Coaches and Calendar pages. National AYSO has changed all of the regional websites this season and everyone is still learning how to use it. Please let us know if you are having issues so we can try to get those issues fixed. If you are unable to find what you need, please reach out to your Division Coordinator.
2. **How to Register as a 2017 Volunteer:** All volunteers must register at our website. If you were a volunteer in prior seasons, your certification history will be pulled from the National AYSO database after you register.
  - 2.1. Go to <http://www.camarilloaysosoccer.org> and click the “LOG IN” bar in the upper right hand corner of the website’s main page.
  - 2.2. Enter your Username and Password and Click the “Sign in” button.
  - 2.3. This will take you to your account, select “Volunteer Opportunities” if you have not as a volunteer. Follow the instructions from there.
    - If you are a returning volunteer, please use the same name as you did when you registered in prior years.
    - If you are military, law enforcement or work for the government, please include that in your employer information. These volunteers have protections in background checks which slow the background check if this is unknown.
    - Make sure to complete your volunteer application online and complete the e-signature and make sure to **submit** the application.
    - Print off your volunteer application if you are a **NEW** volunteer **ONLY**.
    - **New volunteer only.** Bring your volunteer application along with your driver’s license to an AYSO board meeting to have it verified. You must be in person with your application and CDL.

- One of the CVPA trained Board Members can sign you off as a volunteer or contact our Child Volunteer Protection Advocate (CVPA) Jeannette at [CVPA@aysor68.org](mailto:CVPA@aysor68.org).
  - Check with your Division Coordinator to see if they are CVPA trained. They can verify your application and forward it to the Region's CVPA.

7. **Coach Orientation:** Every coach, new and returning, needs to attend Coach Orientation, especially this year as we have several changes to the game. The orientations are structured that the first hour is for **ALL** coaches (new and returning) then teams are distributed to registered coaches. The next hour is for new coaches to understand the process of our fall season. Dates

are posted on our website's regional calendar and they are listed below. If you can, come to one of two Taco Nights and we will give you dinner too.

8. **Player Registration Forms:** When you receive your teams you will receive your Player Registration Forms. Before you meet with your parents, make two photo copies of the first page of each Player Registration Form. When you meet with your parents, have a parent sign the original and both copies in blue ink. Give a set of the forms to your Assistant Coach and one to your Team Manger. This form is an emergency medical release, and if needed, you have a parent's consent if they are not present and the player gets hurt. Keep these forms with you whenever you are with your team, at practices and at games throughout the season. You will need to turn this into the Camarillo AYSO staff after your last game.
9. **Decide when & where practice is:**
  - 9.1. Make it a time that works best for you but is not out of line with the age of your players. **Practice cannot start until August 1.**
  - 9.2. Do not try to get agreement from the team; it leads to a logistical nightmare to try to make everyone happy.
  - 9.3. Players cannot practice any more than 1.5 hours at a time for no more than 3 training sessions per week. A game shall be considered one training session.
  - 9.4. Practice locations will be posted on the website.
  - 9.5. If you want lighted fields at Pleasant Valley Fields or Bob Kildee Park you will need to attend the Field Selection Night on July 31 or August 10. Details on our website soon.
10. **Call/E-mail your team:**
  - 10.1. Before calling or e-mailing your team, look for volunteers on the registration forms.
  - 10.2. You can e-mail your team but make sure your parents reply that they received your e-mail. If they do not respond, please call the parents.
  - 10.3. Call the team and identify yourself by full name and tell them "I'm going to be (insert player's name) Coach this year." Many families have multiple players, so it is important to specify which child you are coaching. Be sure you contact all players before **August 1st**.
  - 10.4. Inform them when and where your Team Meeting will be.
11. **Team Meeting:**
  - 11.1. Provide a hand out with all of your contact information and your expectations including a list of the volunteer needs along with who committed to positions over the phone.

    - ▲ Limited field painter positions are available (one per team).

Uniforms will be distributed on August 7 and 9 from 6:30 p.m. to 9:00 p.m. If your volunteers are not cleared, then you can get your uniforms from your Division Coordinator once they have cleared.
  13. **Always Be Two Deep:** At any AYSO event, practice, games or other events, always have two registered adult volunteers at all times with any of the players. You can be alone with your own child, but when more players are present have at least two adults present, one of which must be the same gender as the players. If two deep leadership is unavailable for an event (practice, ice-cream social, etc.), cancel the event. A sign in sheet for the volunteers is highly recommended.
  14. **Kids Zone:** Kids Zone is a program that encourages fans on the sidelines, and anyone else near the play, to use positive language, show sportsmanship in their attitude and behavior, and create a great experience for every player. It's a reminder that the soccer fields are a kid's zone – a friendly, happy, wholesome place for children to play. Please make sure your team and parents remember the following:
    - Kids are #1
    - Fun, not winning, is everything
    - Fans only cheer, and only coaches coach
    - No yelling in anger
    - Respect the volunteer referees
    - No swearing or abusive behavior
    - No alcohol, tobacco or drugs
    - No weapons
    - Leave no trash behind
    - Set a proper example of sportsmanship
    - No pets
  15. **Player Safety:** If a player gets hurt at a practice, game or event, enough that the player should not continue to play, the coach should complete the AYSO Incident Report Form which can be found at the Safety Tab under About Us. The AYSO Incident Report Form will instruct you on who should receive a copy. AYSO also has insurance for injured players, please contact our Director of Safety at [safety@aysor68.org](mailto:safety@aysor68.org) for details.

17. **Points for Parent Participation:**
- 17.1. Each team will need to accumulate parent participation points during the season. This is mostly from refereeing two games each weekend but also includes field painting and volunteer table assignments.
  - 17.2. Each division has different amounts of assignments. See our website for details and your Division Coordinator will be sending you information.
  - 17.3. If your team does not get all the required parent participation points, your team cannot be part of Championship Day.
18. **Regional Policies and Procedures:** All the procedural rules for our region are found in our Regional Guidelines located at the “About Us Tab” on the “Camarillo AYSO Region 68” page under Region 68 links.
19. **Player Ratings:** All competitive and U8 players need to be rated each season so that we can do our best to balance players. Coaches are expected to rate the players on their teams and be aware of the stronger and weaker players on other teams.
