## **LETTER FROM THE REGIONAL COMMISSIONER**

On behalf of the kids of Region 304, I want to thank our coaches, referees, parent volunteers and board members for your time and effort this season.

The Region 304 postseason is an additional component to the core program and consists of: Invitational Region Playoff Tournament, All Stars, and additional tournament play. The goal of the postseason program is to provide additional opportunities that will enrich the lives of children by playing soccer and embracing the six philosophies of AYSO: Good Sportsmanship, Open Registration, Balanced Teams, Everyone Plays, Player Development, and Positive Coaching.

This booklet contains information that is necessary for all post season competitions, including: the Invitational Region Playoff Tournament, All Stars, and Tournament Teams.

The Invitational Region Playoff Tournament will be played in October/November for the 10u, 12u, and 14u divisions. It is not guaranteed that all teams will qualify for the tournament, but those that do will be because they met the minimum requirements set forth by the Region 304 board.

All Star competition is our opportunity to create teams in the 10u, 12u, and 14u divisions that includes the “best” players from each respective division that will then compete against other All Star teams within Area 10W (Ventura & Santa Barbara Counties) in January.

Tournament play is an extension of the All Star Program. Tournament teams may be created for the 10u, 12u, 14u, 16u, and 18u divisions. These teams may consist of any player that meets the eligibility requirements outlined in this booklet.

Postseason naturally includes a higher level of competition and because of that SPORTSMANSHIP is more important than ever. Emotions run high during these competitions but please remember to remain respectful of all volunteers including: referees, coaches, and administrators. Winning now matters but coaches still need to remember to back off when winning big. This is still a children's soccer program.

Playoffs, All Stars, and Tournaments are always a special time that will produce lasting memories for everyone involved. I wish everyone good luck and hope everyone enjoys the experience.

## **SECTION I – POST SEASON GENERAL GUIDELINES**

### **PLAYER ELIGIBILITY**

Players must have been registered for the core season prior to the **fifth game(TBD) and participated in at least half of their team games after player registration**. Games missed for injury will count as games played for this eligibility criteria.

### **PLAYING TIME**

All players **MUST** play equal playing time. In most cases this will consist of at **least  $\frac{3}{4}$  of each game**. Time lost during a game for injury by a player will be counted towards the equal playing time rule. For players arriving late, the number of “quarters” required is rounded down.

When all players on a team are unable to play at least  $\frac{3}{4}$  of each game due to roster size, then the player sitting out more should be rotated every game. As discussed in the above paragraph, playing time will be adjusted for late arrivals and injury.

While time is limited for players to play goalkeeper during the core season (10U: no more than 2 quarters per game, 12U: no more than 3 quarters per game), there is no restriction on the amount of time that a player can be the goalkeeper other than the above rule for equal playing time.

### **PLAYER REGISTRATION FORMS**

Player Registration forms must be present at every team gathering: including all practices and games. These forms can be obtained by the Region Registrar. It is considered a good practice for the Coach, Assistant Coach, and Team Parent to have a copy of registration forms.

### **COACH REQUIREMENTS**

All teams shall have at least one trained and certified Coach and Assistant Coach. Each coach shall be age specifically trained:

- 10U=10U Coach
- 12U=12U Coach
- 14U=Intermediate Coach
- 16U-18U=Advanced Coach

**In addition, all coaches must be Safe Haven certified, Sudden Cardiac Arrest, CDC Concussion Awareness Trained and State Mandated Fingerprinting & SafeSport.**

***All training requirements MUST be completed before October 31.***

### **UNIFORMS**

For the Region 304 playoff tournament, the uniforms used during the core season will be used.

For All Star and Tournament play, players will wear “Region-colored” uniforms ordered by Region 304. Uniforms will be paid for by the parents at the time that they notify the region uniform coordinator of their players size.

The uniform cost for FY25 is ***\$TBD*** per player and includes 1 pair of shorts, 2 sets of socks, and 2 jerseys. ***Payment will be made on line when registering the players.***

All uniforms purchased are the property of the players’ parents(s) and cannot be returned for a refund.

## **SECTION II - REGION 304 PLAYOFFS**

*This information is intended to provide standard rules for the conduct of the tournament and to ensure fair, safe and fun play for all of the teams involved in the North Oxnard AYSO Region 304 Playoff Tournament. These guidelines are not intended to replace Region Policies and Procedures, Section 10 Guidelines, or Area 10W Guidelines, but rather to supplement and clarify those areas that are playoff related. As noted during the coach meeting and, as posted on the Region website:*

*"Failure to complete the required **Volunteer Duties & Referee Points (by week 9) during regular core season will result in the team not being eligible to participate in region playoffs.** If they are allowed to participate for the benefit of the region, these teams WILL NOT advance out of pool play. Failure to provide a referee for the minimum of four games during pool play will also result in the team not advancing out of pool play."*

### **PLAYOFF COORDINATION & CONDUCT**

The coordination of this tournament is the responsibility of the Regional Commissioner (RC) and the Region 304 Board. All decisions concerning field assignments, scheduling, location, rescheduling, and dispute resolution will be made by, and at the direction of, the Regional Commissioner or his/her designated representative.

Every Coach is responsible for the conduct of his/her players and their team's spectators, all of whom are expected to display positive support and good sportsmanship consistent with the AYSO vision, mission, and philosophies. Our attitude towards the volunteer referees, other players, and tournament staff must always be positive. Failure to comply may result in playoff disqualification.

### **LOCATION**

All playoff games will be held at Fremont Junior High School.

### **SCHEDULE/FORMAT**

As shown in Table 1, the playoff format will begin with pool play games followed by single elimination games.

A send-off (red card) issued to a player or coach during or after games will result in a two-game suspension (the game in progress and the following game). Flagrant, violent actions may result in more severe discipline, including disqualification from further play.

Two send offs (red cards) or the equivalent may result in suspension from representing the region in this tournament and any subsequent AYSO competitions.

In the event that the head coach is sent-off, a certified assistant coach must be available for the team to continue playing.

### RESCHEDULING DUE TO UNSAFE PLAYING CONDITIONS

### AREA PLAYOFFS

The Region will select two teams from each division to represent Region 304 in the Area 10W Playoffs, typically in late November. *The RC will select these teams based on performance and SPORTSMANSHIP during the season & playoffs. Traditionally, the 1<sup>st</sup> and 2<sup>nd</sup> place team in each division are invited; however, poor sportsmanship from coaches, players or sidelines and/or failure to perform volunteer duties may result in a team not being invited.*

Teams chosen to participate in the Area 10W League Tournaments may have the possibility to play in the Area, Section, and Western State Tournaments, depending on each tournament's performance and until eliminated. This may result in the team playing until late March. All coaches and players advancing will fall under Rules for the respective tournaments.

### PROTESTS

There are no protests.

### INTERPRETATION AND AMENDMENTS

Interpretation of the Region 304 Playoff rules will be made by the discretion of the Regional Commissioner and/or the Postseason Director.

Amendments to the Region 304 Playoff Rules may be made a majority vote of the Regional Board.

Criteria that should be taken into consideration shall be: coaching experience, sportsmanship displayed during the core season, history with the region, etc. The committee shall select coaches that they believe will represent the Region in the most positive manner when participating in competitions.

Coaches selected are expected to participate in the Area 10W All Star Tournament and then transition to Tournament Teams.

### **PLAYER SELECTION**
