Live Scan Fingerprinting

<input type="checkbox"/>	Certification	Expiration Date	Status	Compliant
<input type="checkbox"/>	Fingerprinting California Only			

California state law AB 506 (effective January 1, 2022) requires “regular volunteers” of youth organizations to be live scan fingerprinted.

This is a one-time process for the life of your AYSO volunteer account (unless there is a gap in your AYSO volunteer service of five years or more).

Who needs to be fingerprinted?

- Head coaches
- Assistant coaches
- Referees
- Team Parents/Managers
- Board Members

Please note that Livescans are not transferrable from another organization, so you need to perform this process for each applicable organization you volunteer with.

AYSO Region 54 will provide Live Scan fingerprinting event before the fall season starts.
