Coach Certifications

An academy is a low-cost, low-maintenance way of **providing** professional training to your players during seasons with less participation such as spring & Winter. It typically features a practice, with a weekend scrimmage. It is branded as a Region program, with professional Trainer support

We host thousands of campers every year in conjunction with our AYSO partners. With over 50 years of experience running camps, we have created a program which develops players while enhancing their soccer experience in a safe and fun environment

Our First Touch Soccer Trainers work alongside volunteer coaches to aid in the development of a team's players and to up-skill the volunteer

Our staff have the ability and credentials to host Coach Certification classes. We can put classes on AYSO U, run the classroom and field portions of the classes, and certify the attendees, with our AYSO Advanced Coach Instructors. We offer this as a **FREE** service to our partners

REFEREE ABUSE PREVENTION POLICY (RAP)

AYSO 1463 - STEVE DIETHELM

FALL 2025 SEASON

REFEREE ABUSE PREVENTION

PROTECTING OUR REFEREES

OBJECTIVES:

- Understanding RAP
 - What is it?
 - How does it differ from what we have today?
- What does it mean to us?
 - as Referees
 - as Coaches
 - as Region/Area Boards (Leaders)

PROTECTING OUR REFEREES

With referee abuse on the rise for youth and amateur matches, it's time to take a stand.

Referees are essential to soccer, but far too often risk their emotional and physical well-being in service to the game.

Win, lose, or draw, we're in this together.

When you take your anger out on the referee, everybody loses, and the call on the field still stands.

Referee abuse is damaging for everyone involved – and for the future of soccer.

Thank you for doing your part.

OUR PLEDGE!

AYSO REGION 1463

DON'T FORGET YOUR PLEDGE!

PARENT'S PLEDGE

In my words and action, I pledge to:

1. Attend and participate in team parent meetings as requested.
2. Be on time or early when dropping off or picking up my child for training or a game.
3. Ensure my child is supported and encouraged by family or loved ones at games.
4. Encourage my child to have fun and keep sport in its proper perspective.
- 5. Define winning for my child as doing their best / appreciate Development over Winning.**
6. Endeavor to understand the Laws (rules) of soccer and support the efforts of referees.
7. Honor the game and show respect for all involved including coaches, players, opponents, spectators and referees.
- 8. Applaud and encourage players from both teams and not yell out instructions** (as this causes confusion to the players and ultimately hinders development).
9. Refrain from making negative comments about the game, coaches, referees or players, especially from the sidelines.
10. Encourage others to refrain from negative or abusive sideline behavior.
11. As parents, keep the game in perspective for our children (as a pastime, sport, fun, exercise).
12. Abide by the tenets of Kids Zone for appropriate sideline behavior and support AYSO's philosophies for enriching children's lives.
