# DIVISIONS AT REGION 1463

## 6U DIVISION

Designed and researched coaching programs for development stages.

**6U Division = Time for Exploration**

# DIVISIONS AT REGION 1463

## 10U DIVISION

 Offside Rule is in Effect  
 Referees Must Officiate (Center & ARs)

- Games Occur on Saturdays
- Practices = Up to 2x a Week
- Size 4 Soccer Ball
- 6 Games Total

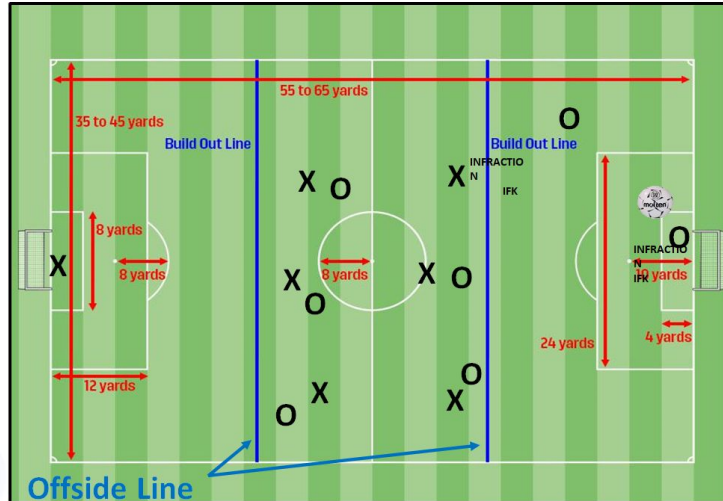

## OFFSIDE & BUILD OUT LINE

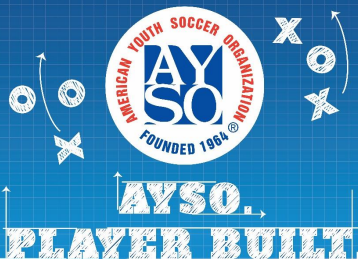

The spirit of this rule is to encourage 10U teams to learn how to play the ball forward from the first third. Traditionally keepers have been able to just punt the ball across the midway line which was a detriment to the players learning how to progress the ball forward from defense to mid-field to the attackers.

**Offside:** The build-out line shall be used as the line to determine offside. Players cannot be penalized for an offside offense between the halfway line and the build-out line.

# VOLUNTEER RELATED

## WHAT IS AN AYSO VOLUNTEER?

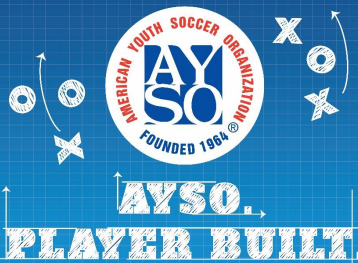

A Coach, Referee, Registrar, Fundraiser, Field Manager, Publicist, Treasurer, Regional Commissioner. Many people, all contributing their time and efforts to make AYSO a great program for our soccer-playing kids.

## WHY DO WE NEED VOLUNTEERS?

Volunteers power the Region. Without Volunteers AYSO 1463 would not exist. Volunteers strengthen AYSO by giving their time, energy along with their ideals and ideas. We absolutely need your help!

## WHO CAN BE A VOLUNTEER?

Almost anyone can volunteer. Moms, Dads, Sisters, Brothers, Grandparents, even players themselves! AYSO needs all of you to help make our Soccer program a fantastic experience for our kids!

## REQUIRED CERTIFICATIONS

### SAFE HAVEN COURSE

The course covers all of AYSO's philosophies on promoting safety, injury prevention as well as behaviors necessary to create a positive soccer experience.

### CDC CONCUSSION COURSE

Volunteers will be given insight on the telltale signs of a concussion and know what to do in case one appears to occur.

### SUDDEN CARDIAC ARREST COURSE

Volunteers are provided to help recognize the signs and risk factors for SCA.

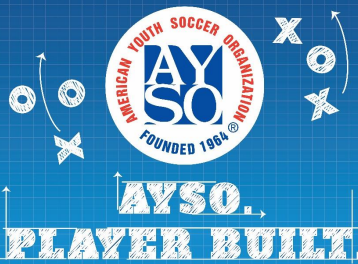

### COACH / ASST. COACH CERTIFICATIONS

Coaches are required to complete Coaching certification up to the division they are coaching. Certifications for older divisions require in-person training.

### REFEREE CERTIFICATIONS

Volunteers are required to complete Regional Referee training to become certified as a Referee in AYSO.

# VOLUNTEER RELATED

## REFEREES

### WE ALWAYS NEED REFEREES!

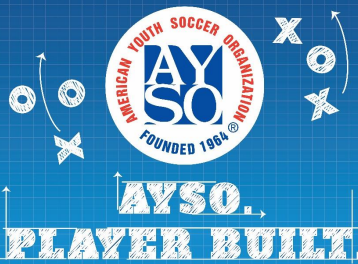

The Referee's job is to be the official in charge of the match. He/she is the independent arbiter and manager of the match. A referee's authority extends to everyone at the field, including players, substitutes, team officials, spectators, and assistant referees.

The Referee is responsible for enforcing the Laws of the Game in such a way as to keep the game Safe, Fair & Fun. The referee is expected to interfere with the game as little as possible, avoiding making calls for doubtful and trifling offenses.

Refereeing in AYSO is a challenging and rewarding volunteer experience. Here is an opportunity for you to join the kids on the pitch as they learn to love the "Beautiful Game". You'll have a great time and get some exercise too!

# SPECTATOR EXPECTATIONS

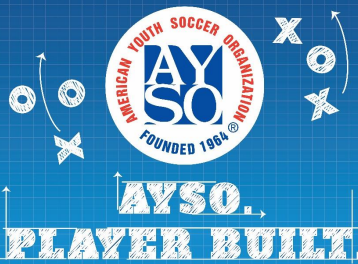

Coaches and Referees are usually parents. They volunteer their time to help make your child's youth soccer experience a positive one. **They need your support, too!**

What Coaches and Referees don't need is your help in coaching from the sidelines. Please refrain from coaching during the games and practices.

**Take care of our Referees!** They're volunteers, too, and need your support and encouragement. Treat them and their calls fairly and respectfully.

We ask that in addition to respecting the other volunteers, please know that we may use you as a Club Linesman to help out our referees during the game.
