REFEREE ABUSE PREVENTION POLICY (RAP)

AYSO 1463 - STEVE DIETHELM

SPRING 2026 SEASON

REFEREE ABUSE PREVENTION

PROTECTING OUR REFEREES

OBJECTIVES:

- Understanding RAP
 - What is it?
 - How does it differ from what we have today?
- What does it mean to us?
 - as Referees
 - as Coaches
 - as Region/Area Boards (Leaders)

PROTECTING OUR REFEREES

With referee abuse on the rise for youth and amateur matches, it's time to take a stand.

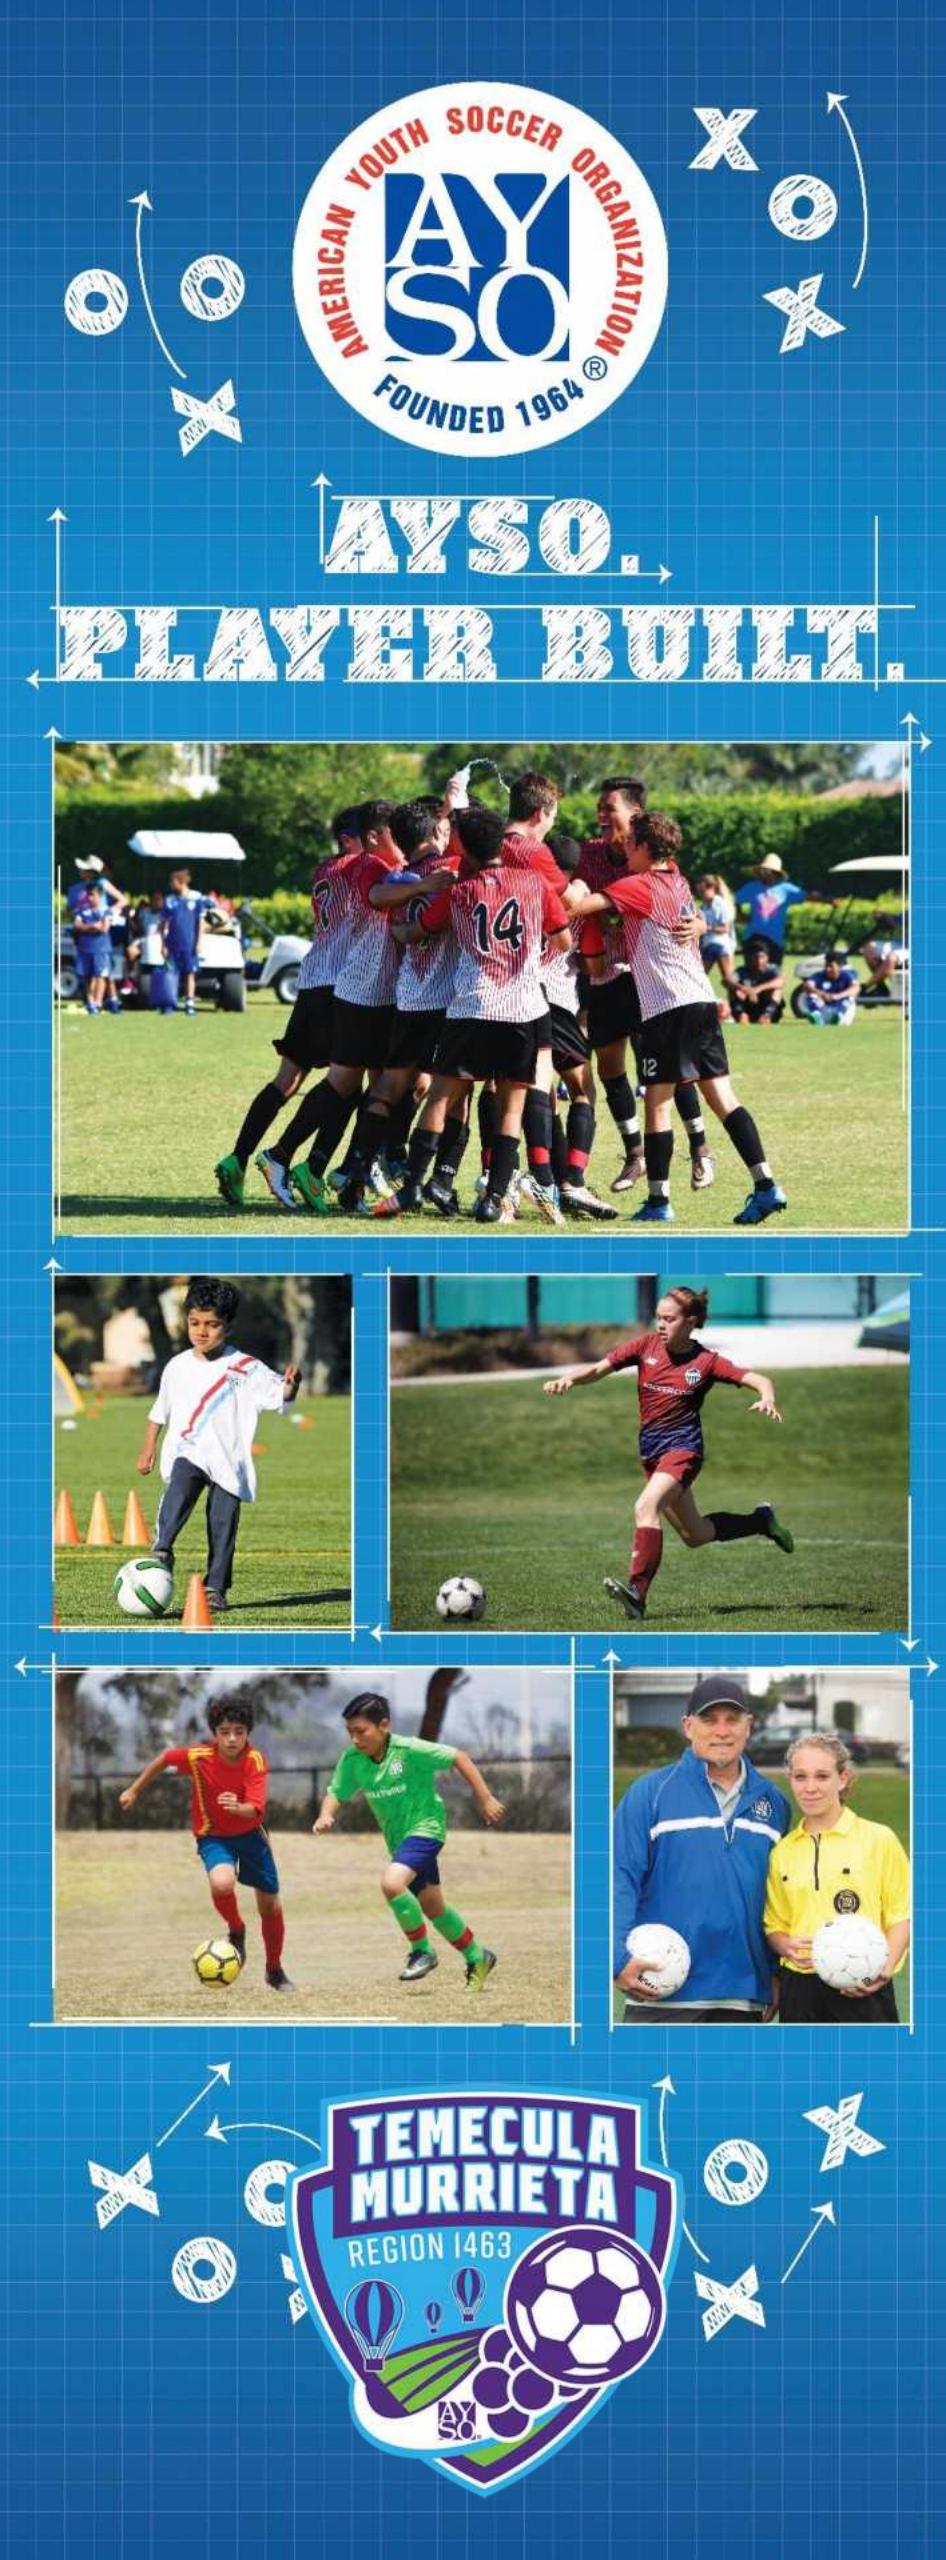

Referees are essential to soccer, but far too often risk their emotional and physical well-being in service to the game.

Win, lose, or draw, we're in this together.

When you take your anger out on the referee, everybody loses, and the call on the field still stands.

Referee abuse is damaging for everyone involved – and for the future of soccer.

Thank you for doing your part.

RAIN POLICY

AYSO 1463 **does not** cancel games due to the rain. However, the City of Murrieta might. If games get canceled, Coaches will notify you. We will also update our Social Media pages and send out an email alert through Sports Connect.

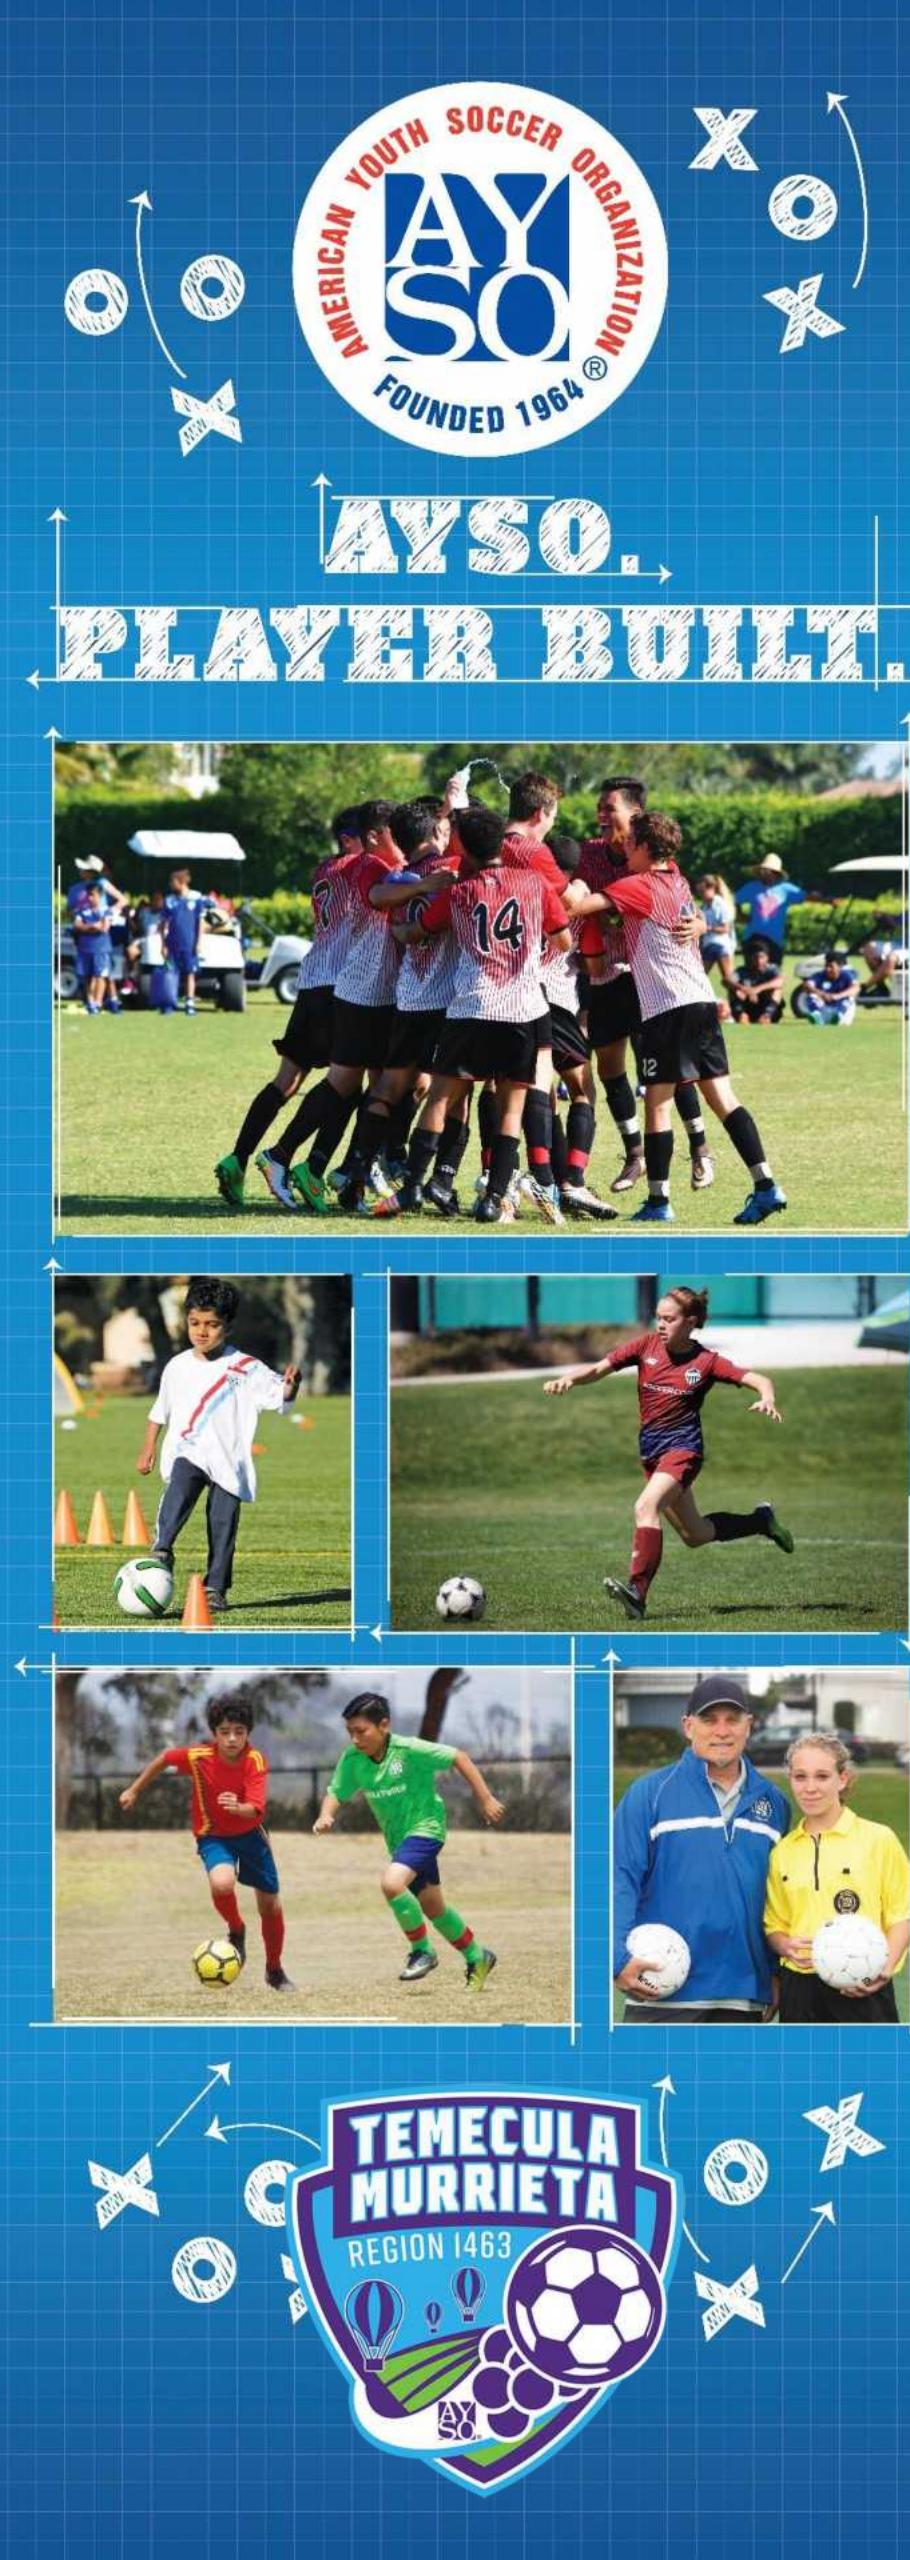

Note: If there's thunder and lightning, play is stopped immediately and everyone should leave the field to a safe area (typically a car). Play cannot resume until 30 minutes after all thunder and lightning have stopped.

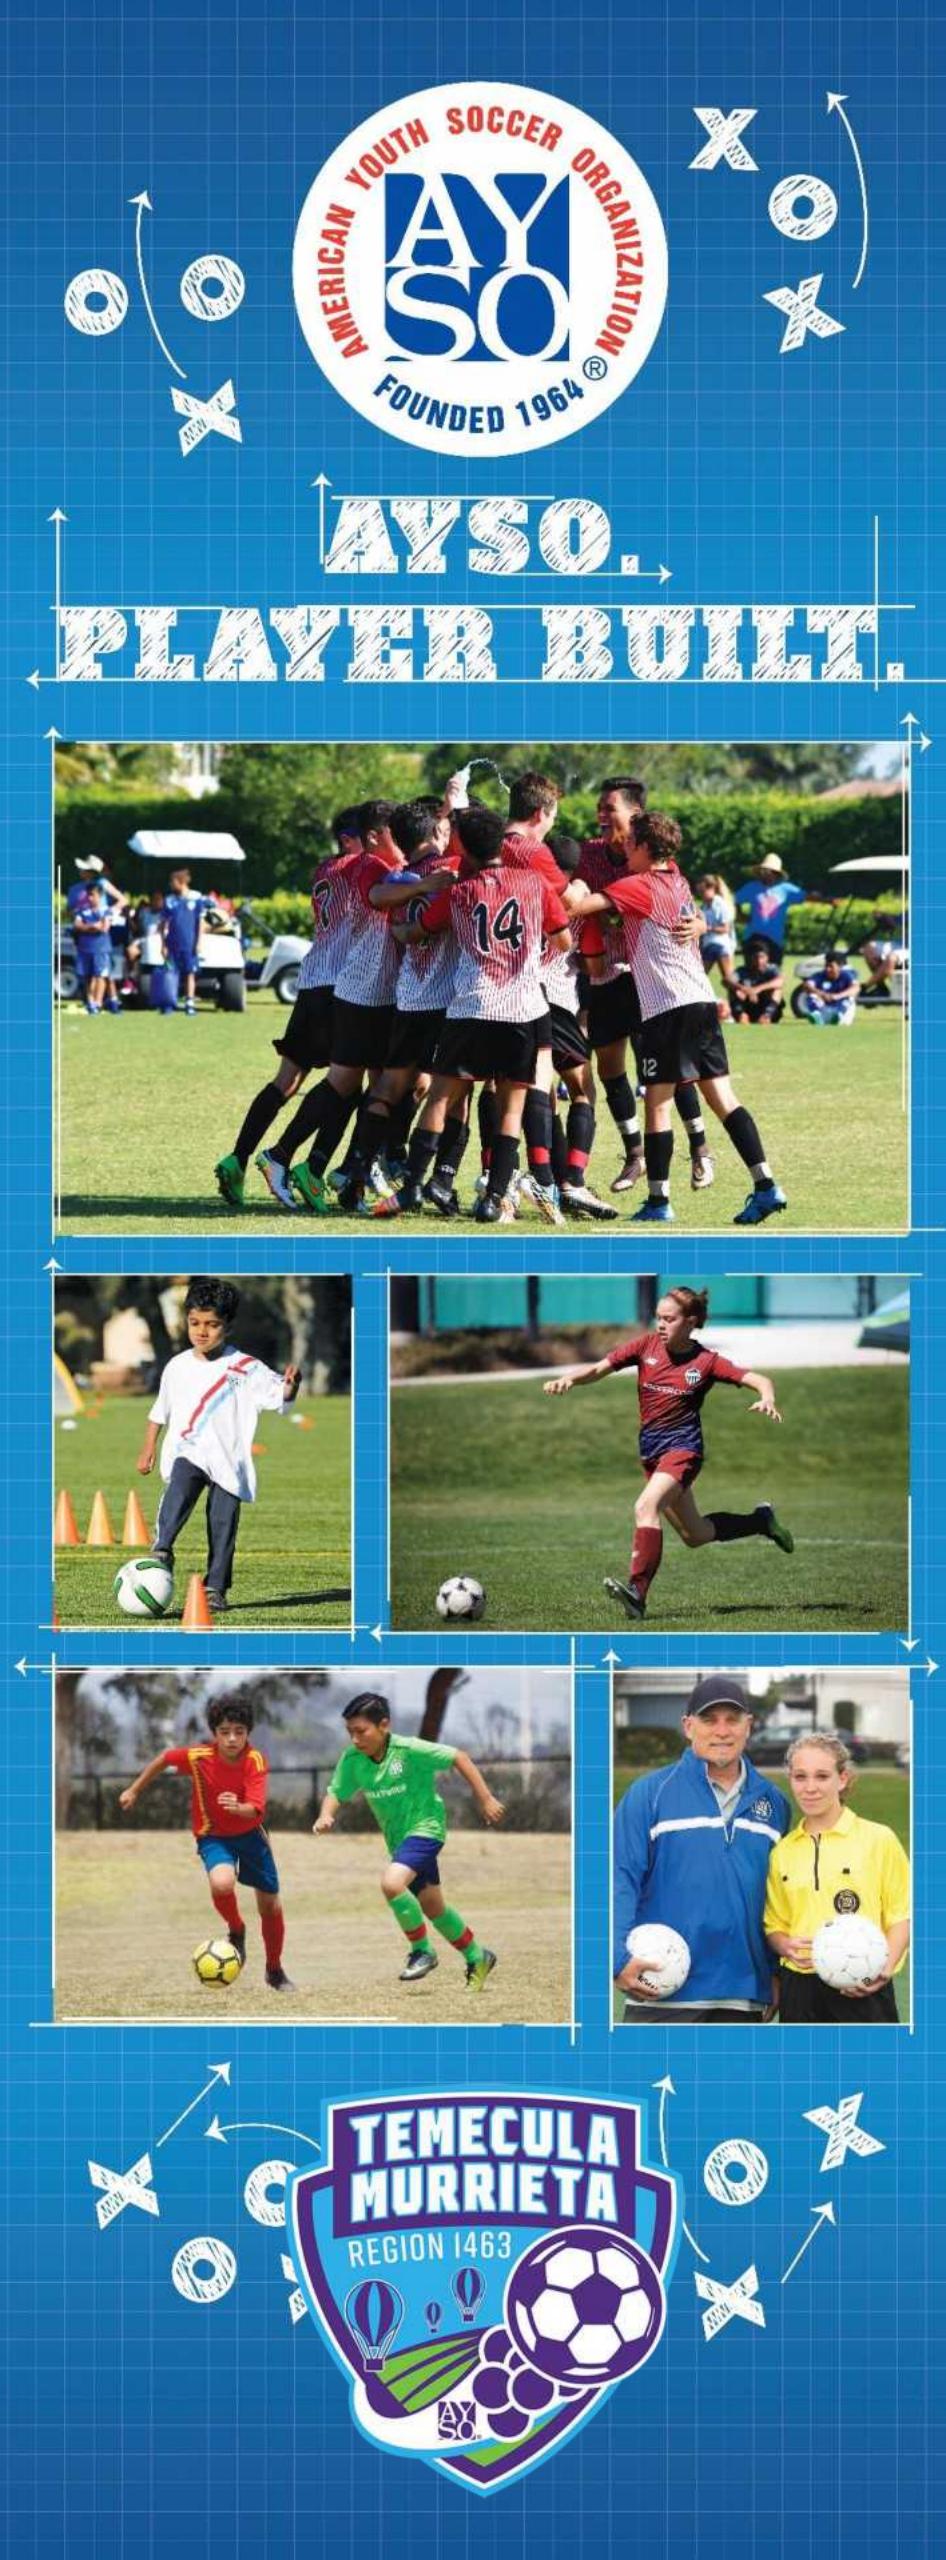

HEAT POLICY

If the day is deemed hot, all games will be given an extra water break per quarter. Please make sure to bring LOTS of water during these days.

SAFETY NOTES TO KEEP IN MIND

- Club Linesman/person - Not Covered by Insurance
- **Parents must remain on field with Children (10U & Under)**
No drop-offs during practice
- Be sure to discuss concerns with your parents & the Region

SAFETY NOTES TO KEEP IN MIND

ALWAYS REMEMBER!

- Back rubs
- Shoulder rubs
- Hugs, etc.
- This includes grabbing their arms to move them around the field, for example
