These videos were developed with new Regional Referees in mind during last Summer's National Games: *Pregame Procedures*, *Game Time Procedure and Positioning*, *Post Game Procedures*, and *Managing Kicks from the Mark*.

Expo: Key region people should be contacted soon to attend. Tim said early bird registration is cut off in January. Jason is planning to register.

Indoor Iowa Games: January 27th and 28th in Dubuque; most likely won't have indoor that weekend because most indoor players travel to this tournament.

Fanfold Wagons: Tim found fanfold wagons on clearance for \$15 at Walmart (normally \$85-\$90). He picked up 3 and could potentially be used for raffle items, incentives, etc...

Chicago Fire: Tim can pick a good date to have a group take a trip to watch a game. Special box seats are around \$100-\$200 a ticket which includes meal, drinks, etc... Could be a good option for board members.

Spring Season: Jason said Melissa from Amana is no longer a contact for Amana so no connection with Amana fields. Laura is in contact with City Manager of Williamsburg who said that shouldn't be a problem. She will contact Nichole at the rec. center regarding schedule.

Equipment in Williamsburg: Will continued to be stored there since Spring season most likely will be in Williamsburg. Tim will need 1 set of 8U pop-up goals until after Christmas. Hannah will coordinate bringing those to him at soccer meeting.
