

Hello from AYSO 397 Challenge!

AYSO 397 Challenge is a non-profit travel soccer organization. We are based out of Bullhead City, Arizona and play tournaments in Arizona, Nevada, and California. Our coaching staff is focused on developing the skills and knowledge of our players in the game of soccer. We strive to create an atmosphere of informed instruction in the fundamentals of boys and girls soccer, encourage and demonstrate sportsmanship and good character, respect for the referees and coaching staff, and the fun of healthy competition. Emphasis is placed on participation, sportsmanship, enjoyment of the game, working together as a team, and the physical and mental development of each player. By committing to play competitive soccer, our players will develop critical life skills, like discipline, time management, and prioritization. We want to set them up with the foundation for future success on and off of the pitch.

Our volunteer staff and parents work hard and put in a lot of time and money to provide these opportunities to our players. However, we cannot do it alone. We strive to make playing on our team affordable, so that everyone has a chance to play. As with all other businesses over the past few years our costs have been increasing and our ability to keep the team affordable has proven to be a challenge. We ask that you help by sponsoring our team or a player with a tax deductible financial donation.

I sincerely thank you for your time and consideration of this request.

Respectfully Yours,

AYSO 397 Challenge!
