#### Reviewed and approved January 2025 Meeting Notes

Tony asked Alex and Alicia if they'd like to speak first so that they could leave. Alex asked the Board to reconsider his request to carry a fluid roster for 14U Girls Spring Select. He explained that he'd like to have 20 to 23 players on a roster for practice but would then have Tournament Roster and a Spring Select Roster, with some of the same girls on both. The other girls would be added to the respective roster as necessary.

Alex presented to the Board a Petition signed by most of the parents on his Team. He also shared an email with approval from the Claremont Spring Coordinators to carry a larger roster.

The Board asked questions of both Alex and Alicia. It was agreed that the issue of having a fluid roster would be considered by the Executive Board after the Region Board Meeting ended. Alex and Alicia left the meeting.
