

LAKE FOREST SPORTS PARK

First Game of the Day on Field

- Field setup is the responsibility of HOME TEAM field volunteer(s).
- Volunteers should arrive 1 hour before kickoff.
- Access the storage locker to retrieve field equipment →
- Retrieve the following items:
 - Line paint sprayer cart and spray cans
 - (4) Sandbags (not for full size turf goals)
 - (4) Corner flags - see picture →
 - (1) AYSO Kids zone sign
 - (1) AYSO wind flag

Coaches can
contact their DC for
lock codes!

- Painting lines (grass fields only):
 - Always REPAINT the lines**, even if they look good already.
 - Invert the can and shake well, insert into the sprayer cart.
 - The line should be spraying **WIDE**, not *skinny*. Rotate the can to correct.
 - Paint straight lines. If the previous line is curvy, attempt to fix it.
- Corner flags:
 - Insert corner flags on the line at the corner, near the outer edge of the line.
- Goals:
 - Position goals such that the post is flush with the inside edge of the line.
 - Place two sandbags on the bottom rung of each of the goals.
 - Adjust netting as needed using existing net clips in the goal frame.
- AYSO Kids zone sign and AYSO wind flag should be placed near the field along a popular arrival path.

LINES ARE:
WIDE!

NOT SKINNY!
