# FREQUENTLY ASKED QUESTIONS

## WHAT IS THE SELECT SEASON?

Players will join teams that play together from December through May, the extended season giving players the chance to grow and develop as part of a team in a more competitive environment while still following the core AYSO philosophies. A Winter season runs from January through March, and most teams go on to participate in multiple tournaments in the Spring, culminating in the Davis World Cup over Memorial Day Weekend. Season games take place locally in Davis, as well as in nearby communities as far as Walnut Creek or Concord. Tournament participation is up to the individual team and coaches.

## HOW DOES SELECT WORK?

Coaches chosen from a pool of applicants will observe interested players during regular Fall season games, as well as special Preview Days for 10U and 12U players. Following the end of the Fall season these coaches will get together and draft players to build balanced teams for the Select season. While we want to offer this opportunity to as many players as possible, not all applicants can be placed on a team.

## HOW DO I SIGN UP?

Using the account you signed up to play Fall soccer, login at [davisayso.org](https://davisayso.org) and register for Select 21/22. There is no cost to sign up; registration fees will be charged when a player is placed on a team. Scholarships are available to help cover the cost of registration for players in need. Additional team costs for tournament entry fees and other items will be charged on a team-by-team basis.

## ADDITIONAL INFORMATION

### WHAT IS THE COMMITMENT?

The Select season lasts six months - so it is a longer commitment than the Fall season. However, the weekly time commitment is similar. There will be two trainings a week and a game on Saturday for the regular season (January - March). Generally, 1-3 tournaments may include hotel stays - these are really FUN! It should be noted that parents are required to actively participate and help with various volunteer activities to make the Select season a success.

### WHERE CAN I GET MORE INFORMATION?

There will be a Select Information Night held remotely from 7:00-8:00 PM on Wednesday, September 29th. Keep an eye out for updates on the [Davis AYSO Select website](#).
