

Registering Your Kid for Soccer

Step 1: Go to www.ayso106.org

Step 2: If you have signed into this sign before click **Login**. If you have never registered for soccer before, click **Register Now**.

- **Register Now:**

- Step 1: Enter your email.
- Step 2: Create a password.
- Step 3: Open your email account and open the email sent to you from no-reply@stacksports.com If you do not see the email in your inbox please check your spam folder. Click **Verify Email**. This will complete your account sign up.

Step 3: Register your child

- **New Users:**

- Click **Register a player**
- The first section of the form is information about **you**.
- Next select how many players you will be registering under your account.
- Please make sure to **upload profile picture**. Make sure it is a passport like photo of your child. Please make sure to fill out all sections marked with a *. You will not be able to continue if all sections are complete.
- Next you will see the seasons available to your child. Please select the Fall or Spring season available at the time. (**All Stars and Spring Select are by invite only. Extra seasons are only open to those who try out and are selected. Please do not register for those programs unless instructed to by a coach.**)
- Next read and accept all forms and complete all sections marked with a *.
- Next please select which role you are willing to help with during the season. The season does not run smoothly without volunteers. Thank you for your time.
- Next review your order and click submit.

***Please note that all children will be registered under a waitlist until a coach is confirmed for each team. Please note that if you volunteer for your child, your child will automatically be on your team. This will help ensure your child plays in the season.**
