

How to submit game cards

- Referees, will email game cards to stats@ayso106.org no later than Tuesday each week.
- One email per game (if more than one game was covered, send an email for each game separately).
- Email subject should include:
 - Referee Name(s)
 - Division and team number to award points to...
- Body of the email should include the date, time, and division of the game covered.
- Take a photo of game cards (front and back).
- Make sure the game card is legible, if it can't be read, points may not be awarded properly.
 - So please PRINT NEATLY!
- Make sure the team number is in the subject of the email matches the game card.
- Make sure date, time, and division are in the body of the matches in the game card.
- If there is a discrepancy that furthers investigation, the game card info will be used.
- Keep track of your points and keep a photocopy of your game cards just in case they get lost.
- If you have any questions, please email Andre Lopez at stats@ayso106.org
