

Dexter Little League 2020 Evaluation Schedule – March 7 – DHS Gym

All players for all divisions are expected to attend evaluations. Players should bring a ball glove and wear gym shoes (bring clean shoes if there is yucky weather outside). If your player has a bat or batting helmet they can bring that too. No cleats!

Plan to arrive when check-in opens for your child's age group. **Your player's age group is determined by their LITTLE LEAGUE AGE, not actual age.** Follow this link to find your player's League Age: <https://www.littleleague.org/play-little-league/determine-league-age/>
