

2026-27 Financial Aid Program Info

Atlanta Fire United offers individual need-based financial assistance to help offset a portion of program registration fees. Atlanta Fire United uses the [US Government's Federal Poverty Guidelines](#) to guide decisions on awarding financial assistance. Families are responsible for paying any fees remaining after financial assistance is awarded. Please note that financial assistance awards do not cover uniform purchases, tournament fees, team travel expenses, personal travel expenses, coaches' travel costs and/or other programs/camps/clinics run by the Club. All family information is kept confidential throughout the application and award process.

Financial assistance applications will be made through PlayMetrics at the time of registration. Once your registration is complete and you are on the checkout screen to complete your first payment, you will find a link at the top of the page that can be used to complete the financial assistance application and upload the necessary information.

Registration, including making the first payment, and financial assistance applications must be completed by the following deadlines:

- Academy (U08 - U12) players: June 7, 2026
- Select (U13 - U19) players: June 14, 2025

Important Notes:

1. All applicants must pay the first payment.
2. The Financial Assistance committee reviews all applications and makes award determinations as quickly as possible after each deadline.
3. Incomplete applications or applications submitted after the deadline may result in disqualification.
4. Financial assistance awards will be applied to player accounts in PlayMetrics: [How to Request Financial Aid in PlayMetrics](#)
