

Questions and Answers

Q: Why play SCCL Summer League?

A: SCCL Summer League is a great value geared towards maintaining playing performance during what would otherwise be two months idle time. Playing in the SCCL Fall league, all Ambush teams need to be as prepared as possible and this is a great Segway into the Fall season. At \$395, this is considerably less expensive than most overnight Soccer Camps. Compared to an overnight camp that offers soccer for only 3 to 5 days over an entire summer, SCCL Summer League offers (12 to 14) 90-minute training sessions along with 7 to 10 very competitive games. Also, Ambush selects their most experienced coaches as part of the SCCL Summer League staff and occasionally bring coaches from the outside if necessary.

Q: What is the level of play?

A: SCCL Summer League is a very competitive league. The level of play is equivalent to the U11 and U12 Red teams that play Academy for Ambush. For the U13 and older teams, the level of play is equivalent to SCCL Club and SCCL Premier 1.

Q: Does \$395 cover everything?

A: The Registration fee covers everything except travel expenses and uniform fees. However, if you are an Ambush player, you already have your uniform so there is no additional fee. It is our understanding at the time of this publication there will be no travel outside of metro Atlanta either. So yes, the \$395 covers everything for current Ambush players.

Q: Do I need to purchase a Uniform?

A: Ambush SCCL Summer uniforms are the same as the Ambush Club practice uniforms. If you already have the Black and Yellow Adidas Jerseys, Black Adidas Shorts, and Black Adidas Socks then you do NOT need to purchase a uniform. For Ambush SCCL Summer League, the authorized kit from Adidas which includes 2 jerseys, 1 pair of shorts and 1 pair of socks is required on game day. Nike, Puma, Under Armor is not allowed. The uniform kit cost is \$100. Once you have been selected to play, if you need the uniform kit, SCCL Summer League uniforms can be ordered when you register to play.

Q: When will the game schedule come out?

A: The SCCL Summer League scheduling meeting is in late April. Schedules are typically published from late April to mid-May. Games begin in early to mid-June.

Q: I have vacation planed and will miss a week of SCCL Summer League. Is that okay?

A: Yes, absolutely. We have this situation every year and with almost all players. Although we want players to attend all training sessions and games, we understand this is the time of year for vacation. Ambush coaches understand there will be absences during the SCCL Summer League season and understand there will be family vacations, and other summer activities. Rosters are a bit larger than normal to allow for absences and still fulfill our commitment to SCCL and the SCCL Summer League.

Q: What age group do I play in?

A: We will form teams in the following age groups for 2023. Ambush typically carries 14 players on the 9 v 9 teams and 18 players on the 11 v 11 teams and sometimes more to cover for summer absenteeism.
