

## 2018 Coaching Bio: 13 Molten Head Coach

---

**Name:** Lauryn Hyman

**Professional Background:** Currently a Volunteer Assistant for Lipscomb University. Before that I was a Graduate Assistant at Missouri Baptist University, an NAIA college in St. Louis. Prior to that position I was working at a school in Springfield, Kentucky, St. Catharine College where I was an assistant for one year as well as a head coach the second year.

**Personal:** Born and raised in Louisville, Kentucky. I have two older sisters and an older brother. They all live in Louisville so I am able to see them often as well as my niece and nephew. I have three dogs, Lyla, Miller, and Lyrik and a cat, Lucy, who live with my mom.

**Education:** Graduated from Bellarmine University in 2013 with a BA in English. Currently working on my Master's in Sports Management through Missouri Baptist University.

**Coaching:** I started coaching volleyball when I was a senior in high school and still playing club. I have coached for KIVA for 2 years, MAVA for 3 years, UNION for 3 years, High Performance STL for one year, and am starting with Alliance this upcoming club season. I have also coached one season of high school at Mercy Academy in Louisville. My collegiate coaching career started at St. Catharine College where I was an assistant for one year and head coach my second year. Eventually, I became a graduate assistant at Missouri Baptist in St. Louis (while attempting to complete my Master's). Currently I am the volunteer assistant coach at Lipscomb University.

**Coaching Philosophy:** I believe if you have the knowledge you should pass it on to those who do not. I really strive to create a positive environment where athletes can learn not just on the court but off the court as well.

**Playing Experience:** I was a setter for Bellarmine University where I played for four years. I played club volleyball at MAVA for 3 years and at UNION for one year.
