

## 2017-2018 Alliance Coach Bio

Name: [Megan Sullivan](#)

**Personal:** I was born and raised in Houston, Texas. I have 4 brothers and 1 sister. My parents both played college basketball and all of my brothers play baseball, basketball, football, and/or soccer. I have been around sports since I was born as my dad is a huge Patriots, Red Sox, and Celtics fan.

**Education:** Majoring in Exercise Science with a double minor in Health and Psychology.

**Coaching:** I began coaching summer camps and clinics in 2014-2017.

**Coaching Philosophy:** Volleyball has been my passion since I was 12 years old and I find myself loving the sport even more as I get older. However, volleyball will eventually come to an end, so I hope to instill values which can be carried over into every aspect of life. Throughout the season, I plan to teach my players the meaning of hard work and being a great teammate. There are so many life lessons that I have learned over the years through sports and I hope to share those experiences with younger athletes.

**Playing Experience:** I started playing club when I was 13 at Texas Tornados and played my last season at Houston Juniors. I committed to the University of Houston my senior year of high school. After one season, I realized I wanted to experience somewhere other than Houston, so I transferred to Lipscomb University and have loved every minute of every day here in Nashville.

**Top Volleyball Highlights:** I was named captain my 14's, 15's, 16's, and 17's club seasons. I played at Cy-Fair High School where I was named team captain as a senior. I helped CFHS to a 2014 District Championship and Bi-District Championship and to a 2015 Co-District Championship and Bi-District Championship. I was named the Spring Beach Tournament MVP Libero in 2015. I received the BFND award at Cy-Fair High School in 2015 and 2016.
