

Tom,

My name is Charlie Hubbard. I wanted to reach out to introduce myself and tell you about our program. Coach Bonelli and I recently took over the program here at VMI Men's Soccer. We both have a history of helping programs grow. At our past schools we both have taken pride in recruiting and developing local talent. This is a tradition that we want to continue here at VMI. We want to build a relationship with local clubs that will help players move on to play at the next level whether it be here or at another college. Because of this I wanted to reach out to not only introduce myself but also to personally invite your high school boys to come to our CSPA 96 camp over the summer. This camp will not only give them a glimpse into VMI it will allow them to have exposure in front of other local college coaches who will be in attendance. This is a great opportunity for players to start the college recruiting process. I placed the link as well as some of the information below. Please feel free to reach out if you have any questions.
