

IFTG Fall 2025 Championship Tournament

Fall 2025 Rules

General Notes:

- Regular season rules will be followed unless otherwise indicated on this document.
- The end of season tournament is NOT optional and all teams are expected to play as scheduled.
- Season record does not impact tournament placement.
- Games are 6 innings, if completed before the time limit.
- Mercy/Run Rule: Games will be official regardless of time if one team has mathematically eliminated the other.
- We will keep to the schedule as close as possible. If teams and umpires are mutually ready to start early at any point, game times may be adjusted to keep the day moving.

Pool Play Rules:

- All teams will play two scheduled “pool” games. Pool play matchups were determined by a blind draw.
- 60 min time limit, finish the inning if home behind.
- Pool games can end in ties.
- Coin flip for home/away.
- Teams will be awarded points based on pool game results: 3 points for win. 1 point for tie. 0 points for loss. This system will determine bracket placement.

Tie Breakers: (if needed for bracket placement)

- After pool play has concluded, each team will be ranked based on the POINTS earned for wins, losses, and ties. That point system is described on the previous column.
- If teams are tied based on the point standings, the below tiebreakers will apply:
 - Head-to-head (if only two teams)
 - Run Differential (highest “plus” number)
 - Runs Allowed (lowest)
 - Runs Scored (highest)
 - Coin flip by tournament official

Bracket Play Rules: (All Ages)

- 70 min time limit, finish inning if home behind.
- Higher seed has the ability to choose home or away.
- Games cannot end in a tie.
- If time has expired (or 6 innings have been played) and the teams are tied, then tie breaker rules will be instituted.
 - The batting team will place a runner on second base and a runner on third base. (the last two batted out from the previous inning)
 - The batting team will begin with 1 out on the board.
 - This will continue until a winner can be declared.
