

PENNRIDGE YELLOWJACKETS

SOCCKER ASSOCIATION

General Meeting Minutes
February 17, 2016

Guest Speakers:

- Dan Estep - U9 Boys Coach
- Futsal academy proposal distributed to the board
- Dan Estep would act as the Coordinator for the academy, not as a coach. A paid coach would be hired.
- Objective: train players to learn Futsal in an academy setting, different than travel program.
- Tournaments could be offered
- Connected with Pennridge, but not exclusive to PYSA travel players
- Tryouts would be required
- Additional cost for PYSA players as it is a separate program
- Comparable Futsal club costs in area run \$300.00 for twice a week training
- Questions/Concerns/Comments:

What would the club's role be?:

- Requesting organizational assistance/support, so it's not a standalone program initially.

When would this program start?:

- This is a Wintertime opportunity. If approved, advertising and setup would need to start now - targeted to start November/December 2016.

Is the proposal asking the club to start a futsal academy? Why wouldn't a coach continue to take their travel team and play them @ NexGen or BucksMont?:

- Purpose of the Futsal academy is to properly train superior futsal skills. Assistance from the club is to assist with organization, provide oversight and act as an advisory board, etc. No burden on the board (ie: no financial expectations).

Potential start-up concerns associated with starting a futsal academy would be: training costs (facilities), paid coach costs (cost/hr), tournament costs, etc.

- It was the recommendation of the Board that Dan Estep obtain additional information and report back to the Board at a later date.
